POSITION OF NEW WALL TO RECEIVE APPROVAL IN ACCORDANCE TO HIA-EIA AND ARCHEOLOGICAL AUTHORITIES

plan

SCALE 1:150 @ A1

notes

- All work is to be done in accordance with the National Building Regulations.
- All materials and workmanship are to comply with the relevant S.A.B.S codes.
- This drawing is not to be scaled. Figured dimensions to be used. All dimensions are in millimeters unless otherwise stated.
- This drawing must be read in conjunction with all other the relevant drawings and specifications.
- All dimensions and levels must be checked on site by the contractor before putting work in
- Any discrepancies on the drawings are to be brought to the architects attention by the contractor before putting work in.
- The contractor must obtain the architects' written confirmation of any instructions which involve a variation to the contract before putting work in hand.
- All voids, suspended ceilings and partitions to be rodent proof in accordance with the Government rodent proofing regulations.
- All mechanical and electrical work is to be done in accordance with the National Building Regulations.
- Contractors and sub-contractors are to check all site dimensions and levels before commencing work.
- Figured dimensions to be taken in preference to scale dimensions.
- The architects are to be notified of any variations.
- The design of this drawing is the copyright of the architects.
- Each contractor shall be responsible for ensuring the structural stability of all components of his work and ascertain that the main structure is capable of supporting all loads applied thereto.
- Brickwork ties & central joint by structural engineer
