Page No: 1      **SiteAutoID:** 34025

**CommonName:**

The Barn (Stables)

Site Category: Structures

**Directions:**

Located east of the farm boundary fence

**SiteComments:**

This is a conservation-worthy vernacular structure (stables), which has been very nicely re-adapted to provide accommodation and a kitchen area for Stables Camp. Its continued use in its current form is a benefit in that the fabric of the structure remains conserved and cared for.

**AdminComments:**

GPS Coordinates are not precise.
