Directions:

Some 200 meters east of the subway under the N2, along the main gravel road into the property, situated under and next to a large Rooikranz bush on the north side of the road.

SiteComments:

Five graves have old concrete headstones that face in a north to north easterly direction. Three graves are capped with concrete beds. The only materials associated with these graves are a modern wine bottle and a broken glass container. The following was legible on gravestones (e, f, g & j) and the format used below is as text appeared on the headstones:(e) L.H.
