BroadAgeCategory: Historical

Site Category: Burial Grounds & Graves

SiteComments:

where there were about 60 overgrown burials that almost certainly span many decades. Most were marked by oval piles of andesite cobbles only, but the most recent few, all belonging to the Mosuahle family, had headstones, with the youngest of those reading "Lizzie M. Mosuahle. Born 1910. Died 12.2.73".
