	Site Name	VETLAAGTE 1
	Date	01/03/2012 - 10:08
	Project	
	CaseNID	26817
	Coords	-30.670767, 24.110617

Page No: 1 **SiteAutoID:** 34468

BroadAgeCategory: MSA

Site Category: Artefacts

SiteComments:

High density Middle Stone Age (MSA) material, including characteristic formal MSA stone tools such as points, blades and scrapers.

StoneArtefactNotes:

Levallois cores. Use wear and marks are clearly visible on formal tools. Artefacts are generally made from locally available fine-grained materials.

Damage Types:
