Site Name	Munnik St 001
Date	30/07/2012 - 09:13
Project	
CaseNID	108338
Coords	-23.894361, 29.499250

Page No: 1

SiteAutoID: 39822

Site Category: Structures

SiteComments:

Remains from a small stone walled site were noted. It appears as if the power cable will have a direct impact on it - see Google map. There is also a protected Northern Ndebele site located on a hill close to the development area. This will however not be impacted upon.

Damage Types:
