Page No: 1 **SiteAutoID:** 85879

AlternateCode:
Site 002

Site Category: Burial Grounds & Graves

SiteComments:

This is another gravesite located on section 1 of the proposed road upgrade. The graves are on average around 15 – 20m away from the proposed road upgrade. Up to 5 graves could be located at this site. Most of the graves are in good condition and is obviously being maintained by the next of kin. It is possible that unmarked graves could also be located in the general area.

Damage Types:
