Page No: 1 **SiteAutoID:** 87189

AlternateName:
FEATURE 23: MTHOM...

Site Category: Building

SiteComments:
The homestead is constructed in the typical elongated U-shape of 20th century farm style architecture of the Ndebele. The courtyard (isirhodlo) is prominent although not decorated in Ndebele tradition (isikhethu). It is home to the Mthombeni family who are employed on Wilgekraal.

Damage Types:
