Page No: 1      **SiteAutoID:** 90198

**AlternateName:**

Lithic Site 2

Site Category: Artefacts

**SiteComments:**

This locality provides further support for the regular presence of technical blades in the regional Acheulean presences subsequent to Rietputs A&B time as first documented By Malan 1947. Note that a very similar mini cleaver was found in a Rietputs C context on the farm Erindale near Delpportshoop.

Damage Types:
