Graveyard 01

Site Category: Burial Grounds & Graves

**SiteComments:**

This graveyard (GY01) is located near Eskom's power lines south of the Project Area. At least two graves of members of the Ntuli family are visible. It is possible that more graves may exist as they may be undecorated and also covered with vegetation. Both graves are fitted with cement headstones. Inscriptions on the headstones read as follow: • 'Mss SAR Ntuli Ilangalo Kuealwa Lekufa 25-11-37 Jesus Christ Church' • 'Mr De Vidi Ntuli Ilangalo Zalwa 27-05-41 Jesus Christ Church' GY01 is older than sixty years.
