Site No 11

Site Category: Burial Grounds & Graves

**SiteComments:**

The site comprises a fenced graveyard containing at least 50 graves demarcated by stone bases. It seems that all the graves have an east-west orientation with the headstones on the western side. No grave offerings were noted. However, the graves are without inscriptions which mean they are, by default, regarded as older than 60 years and therefore fall under the protection of the NHRA (Act no 25 of 1999).
