	Date	01/07/1995 - 12:20
	Project	
	CaseNID	
	Coords	-34.745645, 20.060497

Page No: 1 **SiteAutoID:** 105113

Site Category: Artefacts

SiteComments:

This feature consists of a scatter of 6 large stones 3 of which are deeply grooved lower grindstones. This feature is not directly linked to any other remains that could be seen. The stones probably represent a burial cairn which has been deflated.

Damage Types:
