Site Category: Building

SiteComments:

Archive Import History: Visual Description: A double storey dwelling with plaster finish, finely detailed gable-ends and elaborate timber veranda. The building is in scale with the surrounding area but the original character is detracted from by the enclosed first floor veranda. The setting of the building has been destroyed by the placing of a block of flats in front of it. Colours: Site Features: Condition: Good Construction Date: 1883 Materials: Loadbearing brickwork Catalogue: Theron 1983, No: A.7.3.04, Significance Category:
