Site Category: Building

**SiteComments:**

Archive Import History: These two buildings form an integral part of a unique row of semi-detached double-storeyed shops whose façades feature a combination of Free Renaissance, neo-Classical and Georgian styles, blending to form a harmonious architectural feature in High Street, which contains a unique collection of late-nineteenth century residential and commercial buildings. Visual Description: Mid Victorian palazzo facade. Simple parapet to cornice. Hood moulds to first floor windows. Later shopfronts and verandah of C1950. Colours: Site Features: Condition: Fair Construction Date: Materials: Catalogue: Radford 1989 (a), No: E.14, Significance Category:
