Page No: 1      **SiteAutoID:** 26325

Site Category: Building

**Directions:**

Turn north into Musgrave road from Berea Road North. Set well back from Musgrave Road on a long narrow site.

**SiteComments:**

Archive Import History: This magnificent double- storeyed manor-house, designed by the architect P. Piekes and erected in 1904/5, is an excellent example of a Natal verandah house erected at the beginning of the century. The fine detailing to the timber verandahs is also noteworthy. Visual Description: Double-storeyed manor house ;square form; roofing -corrugated sheet metal; walling -painted brickwork Colours: Site Features: Fine timber verandahs Condition: good Construction Date: 1905 Materials: brick : corrugated iron Catalogue: Kearney, 1984, No: , Significance Category:
