Archive Import History: Visual Description: Seven-bay hipped-roof house with a short flat-roofed wing at either end. Verandah between the wings with ogee roof on facebrick pillars and front walls. Probably French doors behind the closed louvered shutters. In the middle is a 3x3-panel double door with eight-paned arched fanlight. On left is a coach-house (now garage) with saddle-roof, and loft door on its end-gable. Dormer loft doo on right side of house roof (see photo on 69). An interesting house spoilt by the facebrick additions. Of local architectural value. Colours: Site Features: Condition: Good Construction Date: Materials: Plastered brick : Corrugated iron Catalogue: Rudner, 1991, No: 068, Significance Category: A
