	CaseNID	
	Coords	-33.932929, 18.411353

Page No: 1 **SiteAutoID:** 29358

Site Category: Building

SiteComments:

Archive Import History: Leinster Hall was built in the 1850's by Sebastiaan Hofmeyr on a plot which previously formed part of the farm Weltevreden. The original part of the outbuildings was erected simultaneously. Leinster Hall, with its predominantly Georgian characteristics, its noteworthy garden and its Victorian verandah, is one of four remaining historical manor-houses in this region of Cape Town.
