Archive Import History: These two impressive double-storey dwelling-houses with their Edwardian and Victorian features were erected in 1910 by George Thomas Hopkins. The magnificent cast- iron verandah and balcony at 66 Hopkins Street were presumably added by Johannes Petrus Serenus du Toit, the next owner, who bought the property in 1917 Visual Description: Late Victorian style double storey house. Hipped and gabled pitched roof with fibre cement slates. Double storey bay to left hand side of facade. Double storey cast iron filigree verandah at entrance of which a portion remains. Ashlar plasterwork, Colours: Site Features: Condition: Good Construction Date: Materials: Catalogue: Thorold, 1992, No: 2.05, Significance Category:
