**Directions:**

North west of the study area.

**SiteComments:**

About 150 m north west of the place lie three graves, fenced in, which are unmarked. The 59-year old Mr Motlhaodi however identified the graves as being of his grandfather 'Ou Piet' Tselakgothu and Ou Piet's wife (Motlhaodi's grandmother) and Phukotso Tselakgothu, Motlhaodi's uncle. They died when he was about 9 or 10, i.e. circa 1960.
