	Coords	-27.576530, 22.937060

Page No: 1 **SiteAutoID:** 129779

Site Category: Burial Grounds & Graves

Directions:

North west of the study area.

SiteComments:

graves, of Petrus Johannes Jansen van Vuuren, b 1842, and of Helena Maria Elisabeth Jansen van Vuuren nee Oberholster b 1851. The headstones are very finely crafted. Curiously they feature no death dates – but it is possible that part of the head stone in both cases lies under the sand surface. The graves were fenced but cattle have trampled the fencing.

Damage Types:
