Site Category: Building

SiteComments:

Old L-shaped thatched cottage with plain end gables and a bakoond with a high chimney. The windows are big 6 x 6sashes and the door is of stable-type. There is a pergola, To the left is an outhouse which, however, has a modern extension with a lean-to roof. The old out-house has a hipped thatched roof, The cottage in 18 Smith Street probably also belongs to this
