Site Category: Building

**SiteComments:**

Karoo-type three-bay cottage with an extension, formerly a garage. Pedimented parapet with moulded cornice. Four-panelled door with upper panels arched and four-paned fanlight. 2x2-paned sash windows with louvered shutters. Inside an arched opening leads to an extension. Wooden beams and ceilings and muurkas with wooden doors. Pleasant well-kept cottage somewhat incorrectly restored in places but of architectural importance.

Damage Types:
