Site Category: Burial Grounds & Graves

**SiteComments:**

The site comprises a modern black cemetery of 20 graves. Several of the graves have rectangular brick dressings and metal plaques, other comprise large sand mounds, with metal plaques and grave goods. From information read on the inscribed headstones, it is evident that the graves from this cemetery include the deceased of the Zwane, Mphuthi, Moleko and Ramalefane families. The site appears to have been a farmworker cemetery.
