Directions:

From Josephine mill museum head west on boundary Rd then you will get to the place.

SiteComments:

It's a water mill with a house on it plus some few leaves which is symbolized in English and Afrikaans. It's located inside the the restaurant which called La Cuccina which is a nice environment. Inscriptions: This monuments commemorates the Josephine mill which was build in 1818 by Johan Frederic Dreyer. Site History: From Josephine mill Museum

AdminComments:

The Josephine Mill it's in a right environment with more information that we can use and the monuments it's still in a good shape and can be seen by everyone who enters in this restaurant.
