SiteComments:

A grave with 2 stillborn infants was found on the farm Brack kloof 183. The grave contained a cross headstone and cement dressing. Burial grounds and graves are protected under Section 36 of the NHRA 25 of 1999. Thus, the site is provisionally rated as having a high heritage significance with a heritage rating of IIIA. All graves have high levels of emotional, religious and in some cases historical significance. It is also important to understand that the identified graves could have significant heritage value to the relevant families.
