	Date	06/05/2008 - 08:50 to 08/03/2022 - 08:50
	Project	
	CaseNID	
	Coords	-32.942806, 27.960361

Page No: 1 **SiteAutoID:** 139545

CommonName:

Locality S2

Site Category: Structures

SiteComments:

The contemporary site is characterized by an earlier farm workers residence. The structure is still in relative condition. With farming activities on the property having been ceased the structure is currently used for storage. The site post-dates 60 years of age and is not formally protected under the NHRA 1999. Destruction of the structure is not subject to SAHRA application / approval.

Damage Types:
