	Date	01/03/2006 - 09:52 to 04/05/2022 - 09:52
	Project	
	CaseNID	
	Coords	-24.765517, 30.173517

Page No: 1 **SiteAutoID:** 139904

AlternateName:
(Site RRP01)

Site Category: Archaeological

SiteComments:

This site, although not clearly visible due to a dense stand of grass after the above average good summer rains, is marked with what seems like randomly occurring low stone lines. Modern waste material such as tin plate and glass with older potsherds occur within the perimeters of the site.

Damage Types:
