DRAFT ENVIRONMENTAL IMPACT ASSESSMENT REPORT AND APPENDICES

Dear Sir/Madam,

K2022578784 (SOUTH AFRICA)(Pty) Ltd, a Special Purpose Vehicle (SPV) proposes the development of a commercial Solar Energy Facility and associated infrastructure on a site located ~16km south-east of the town of Danielskuil and 10km east of Lime Acres in the Northern Cape Province. The site is located on Portion 4 of Farm Engeland 300 within the Kgatelopele Local Municipality and the ZF Mgcawu District Municipality. The facility will have a contracted capacity of up to 150MW Maximum Export Capacity and will be known as the Limestone PV1 Solar Energy Facility. The project is planned as part of a larger cluster of renewable energy projects, which includes another 150MW PV Solar Energy Facility (Limestone PV2) located on the same property as Limestone PV1 and a 360MW Wind Energy Facility (Oryx Wind Energy Facility) also located near Danielskuil.

An application form was originally submitted on 10 January 2023. Amendments were made due to the change in the Applicant details. Herewith, please find the Amended Application Form, reflecting the SPV name.

Please contact me with any queries in this regard.

Yours sincerely
