

EXISTING PLAN: UPPER LEVEL
SCALE 1:200

GENERAL NOTES

- The Contractor is responsible for the correct setting out of the building and all references to boundaries, building lines and setbacks.
- The Contractor is to verify all levels, dimensions and quantities before commencing any work in hand.
- Nothing is to be done until the Contractor has received written instructions from the Architect.
- The Contractor is to refer to the above notes for all dimensions and quantities.
- Any errors, discrepancies or omissions are to be reported to the Architect immediately.
- Materials or workmanship are to be approved by the Architect for certification.
- Do not scale this drawing, refer to figured dimensions only.
