

THE BASIC ASSESSMENT FOR THE PROPOSED KOMAS WIND ENERGY FACILITY AND ASSOCIATED INFRASTRUCTURE NEAR KLEINSEE IN THE NORTHERN CAPE PROVINCE.

APPENDICES

- Appendix A: Maps
- Appendix B: Facility Illustration
- Appendix C: Specialist Reports
- C.1 - Terrestrial Biodiversity Assessment
 - C.2 - Aquatic Biodiversity Assessment
 - C.3 - Avifauna Assessment
 - C.4 - Bat Assessment
 - C.5 - Visual (including Flicker) Assessment
 - C.6 - Heritage Assessment (including Archaeology, Cultural Landscape and Palaeontology)
 - C.7 - Agricultural Assessment
 - C.8 - Socio-Economic Assessment
 - C.9 - Noise Assessment
 - C.10 - Transport Assessment
 - C.11 - Geotechnical Assessment
 - C.12 - Civil Aviation Site Sensitivity Verification
 - C.13 - Defence Site Sensitivity Verification
- Appendix D: Public Participation
- Appendix D.1: Public Participation Plan
 - Appendix D.2: Submission of Public Participation Plan to the DEFF
 - Appendix D.3: DEFF Approval of the Public Participation Plan
 - Appendix D.4: Copies and Proof of Placement of Site Notice Boards
 - Appendix D.5: Copies the content of the Newspaper Advertisement
 - Appendix D.6: I&AP Database
 - Appendix D.7: Letters of consent from Landowners
 - Appendix D.8: Comments received from Stakeholders and Interested and Affected Parties
 - Appendix D.9: Comments and Responses Report.
- Appendix E: EAP Details, Expertise and Declaration of Interest
- Appendix F: Specialist declarations, Letters of Appointment and SACNASP certificates
- Appendix G: Draft Environmental Management Programme (EMPr)
- Appendix G.1: Draft Environmental Management Programme (EMPr) for Komas WEF
 - Appendix G.2: Draft Environmental Management Programme (EMPr) for the On-Site Substation for the Komas WEF
- Appendix H: Pre-application consultation with the Competent Authority (DEFF)
- Appendix H.1: Pre-Application Meeting Request Forms
 - Appendix H.2: Pre-Application Meeting Presentations
 - Appendix H.3: Pre-Application Meeting Notes
 - Appendix H.4: Approval of the Pre-Application Meeting Notes
 - Appendix H.5: Correspondence and comments from the DEFF (Biodiversity Conservation)
- Appendix I: Pre-application consultation with stakeholders (SANParks and DAEARDLR (formerly known as DENC))
- Appendix J: Additional supporting technical studies and information.
- Appendix J.1: Geology Assessment for the proposed Komas Wind Energy Facility and associated infrastructure.
 - Appendix J.2: Wake Effect Assessment
 - Appendix J.3: Biodiversity Offset Studies
 - J.3.1(1) Additional Biodiversity Offset Report (including proposed implementation) prepared by Mr. Mark Botha of Conservation.....
 - J.3.2(2) Initial Biodiversity Offset Analysis Report prepared by Mr. Simon Todd of 3Foxes.....

THE BASIC ASSESSMENT FOR THE PROPOSED KOMAS WIND ENERGY FACILITY AND ASSOCIATED INFRASTRUCTURE NEAR KLEINSEE IN THE NORTHERN CAPE PROVINCE.

APPENDIX A

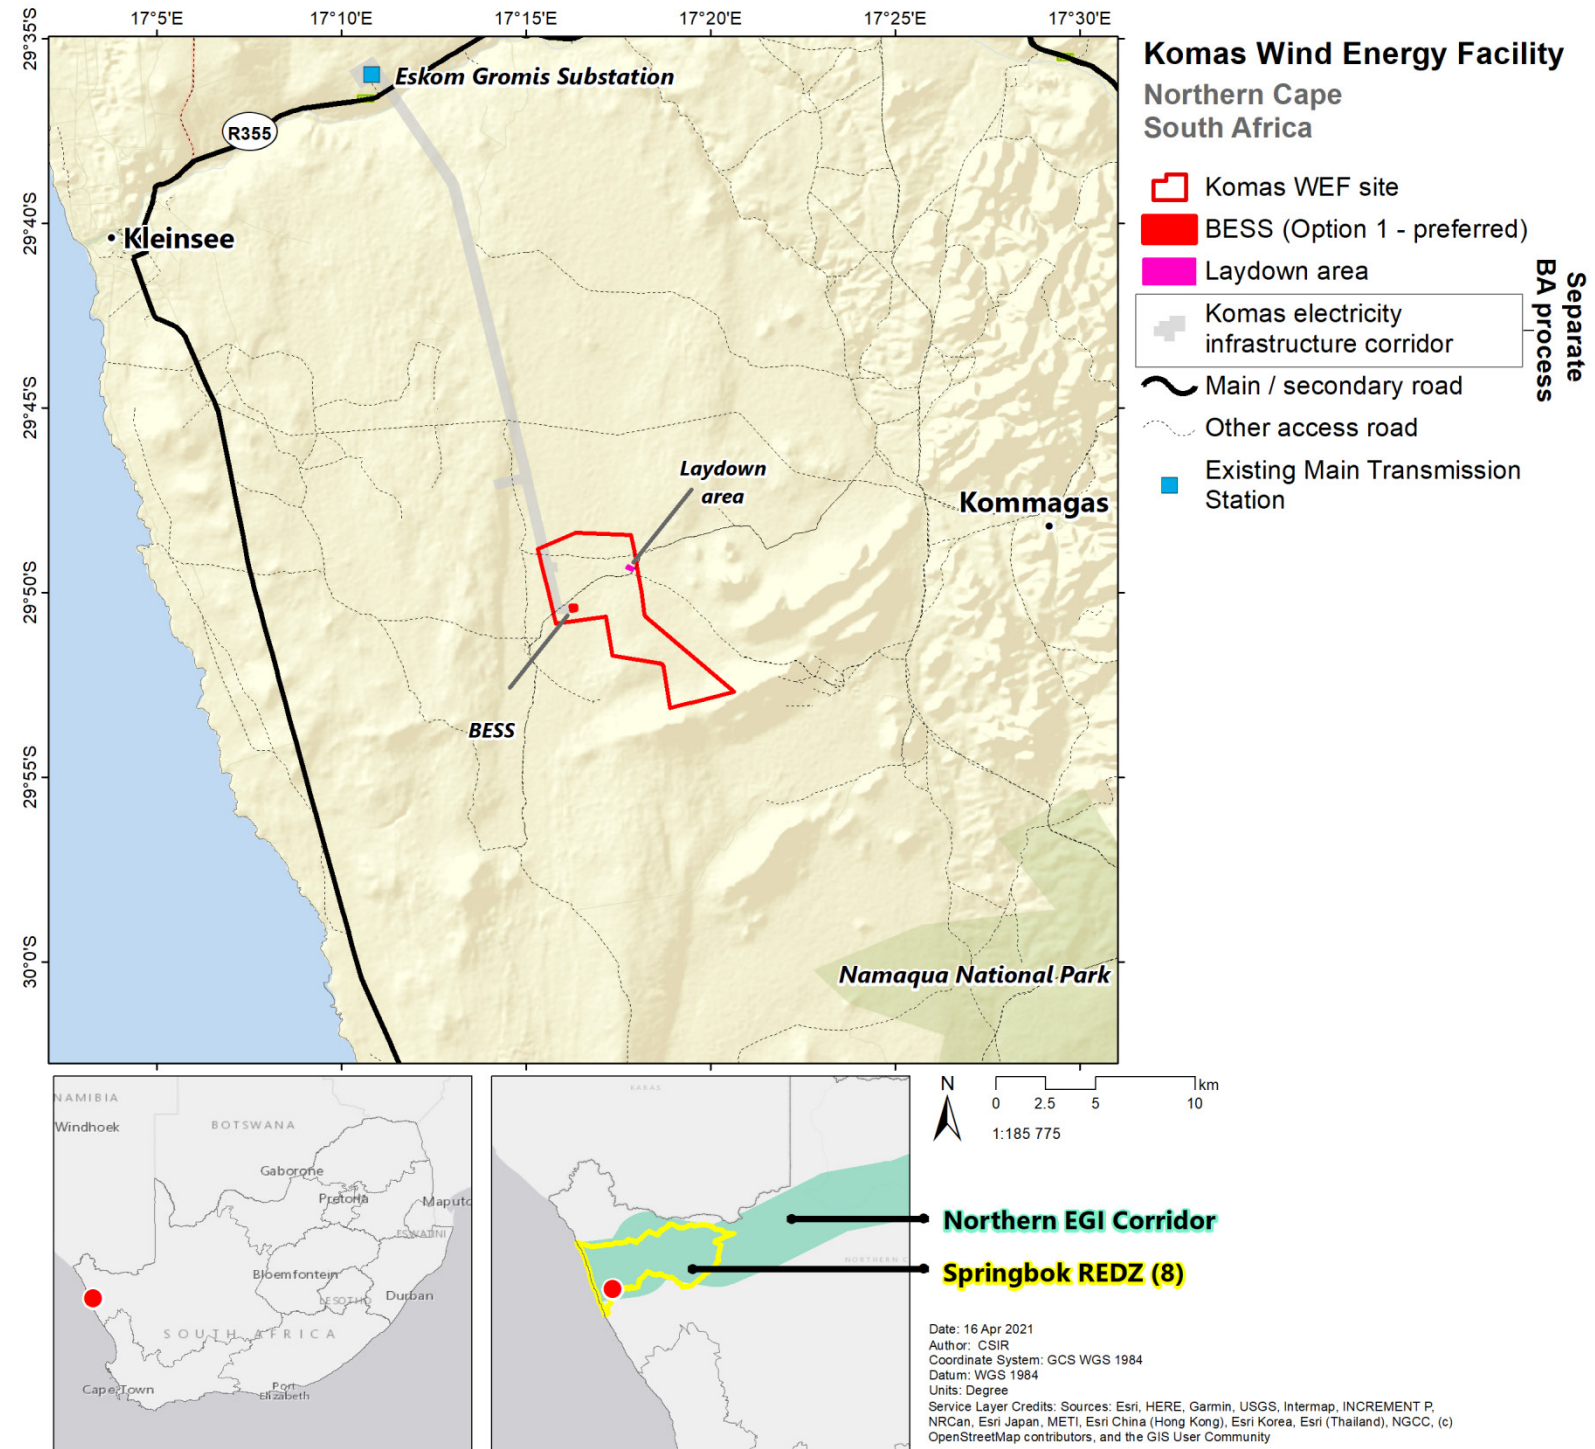

Maps

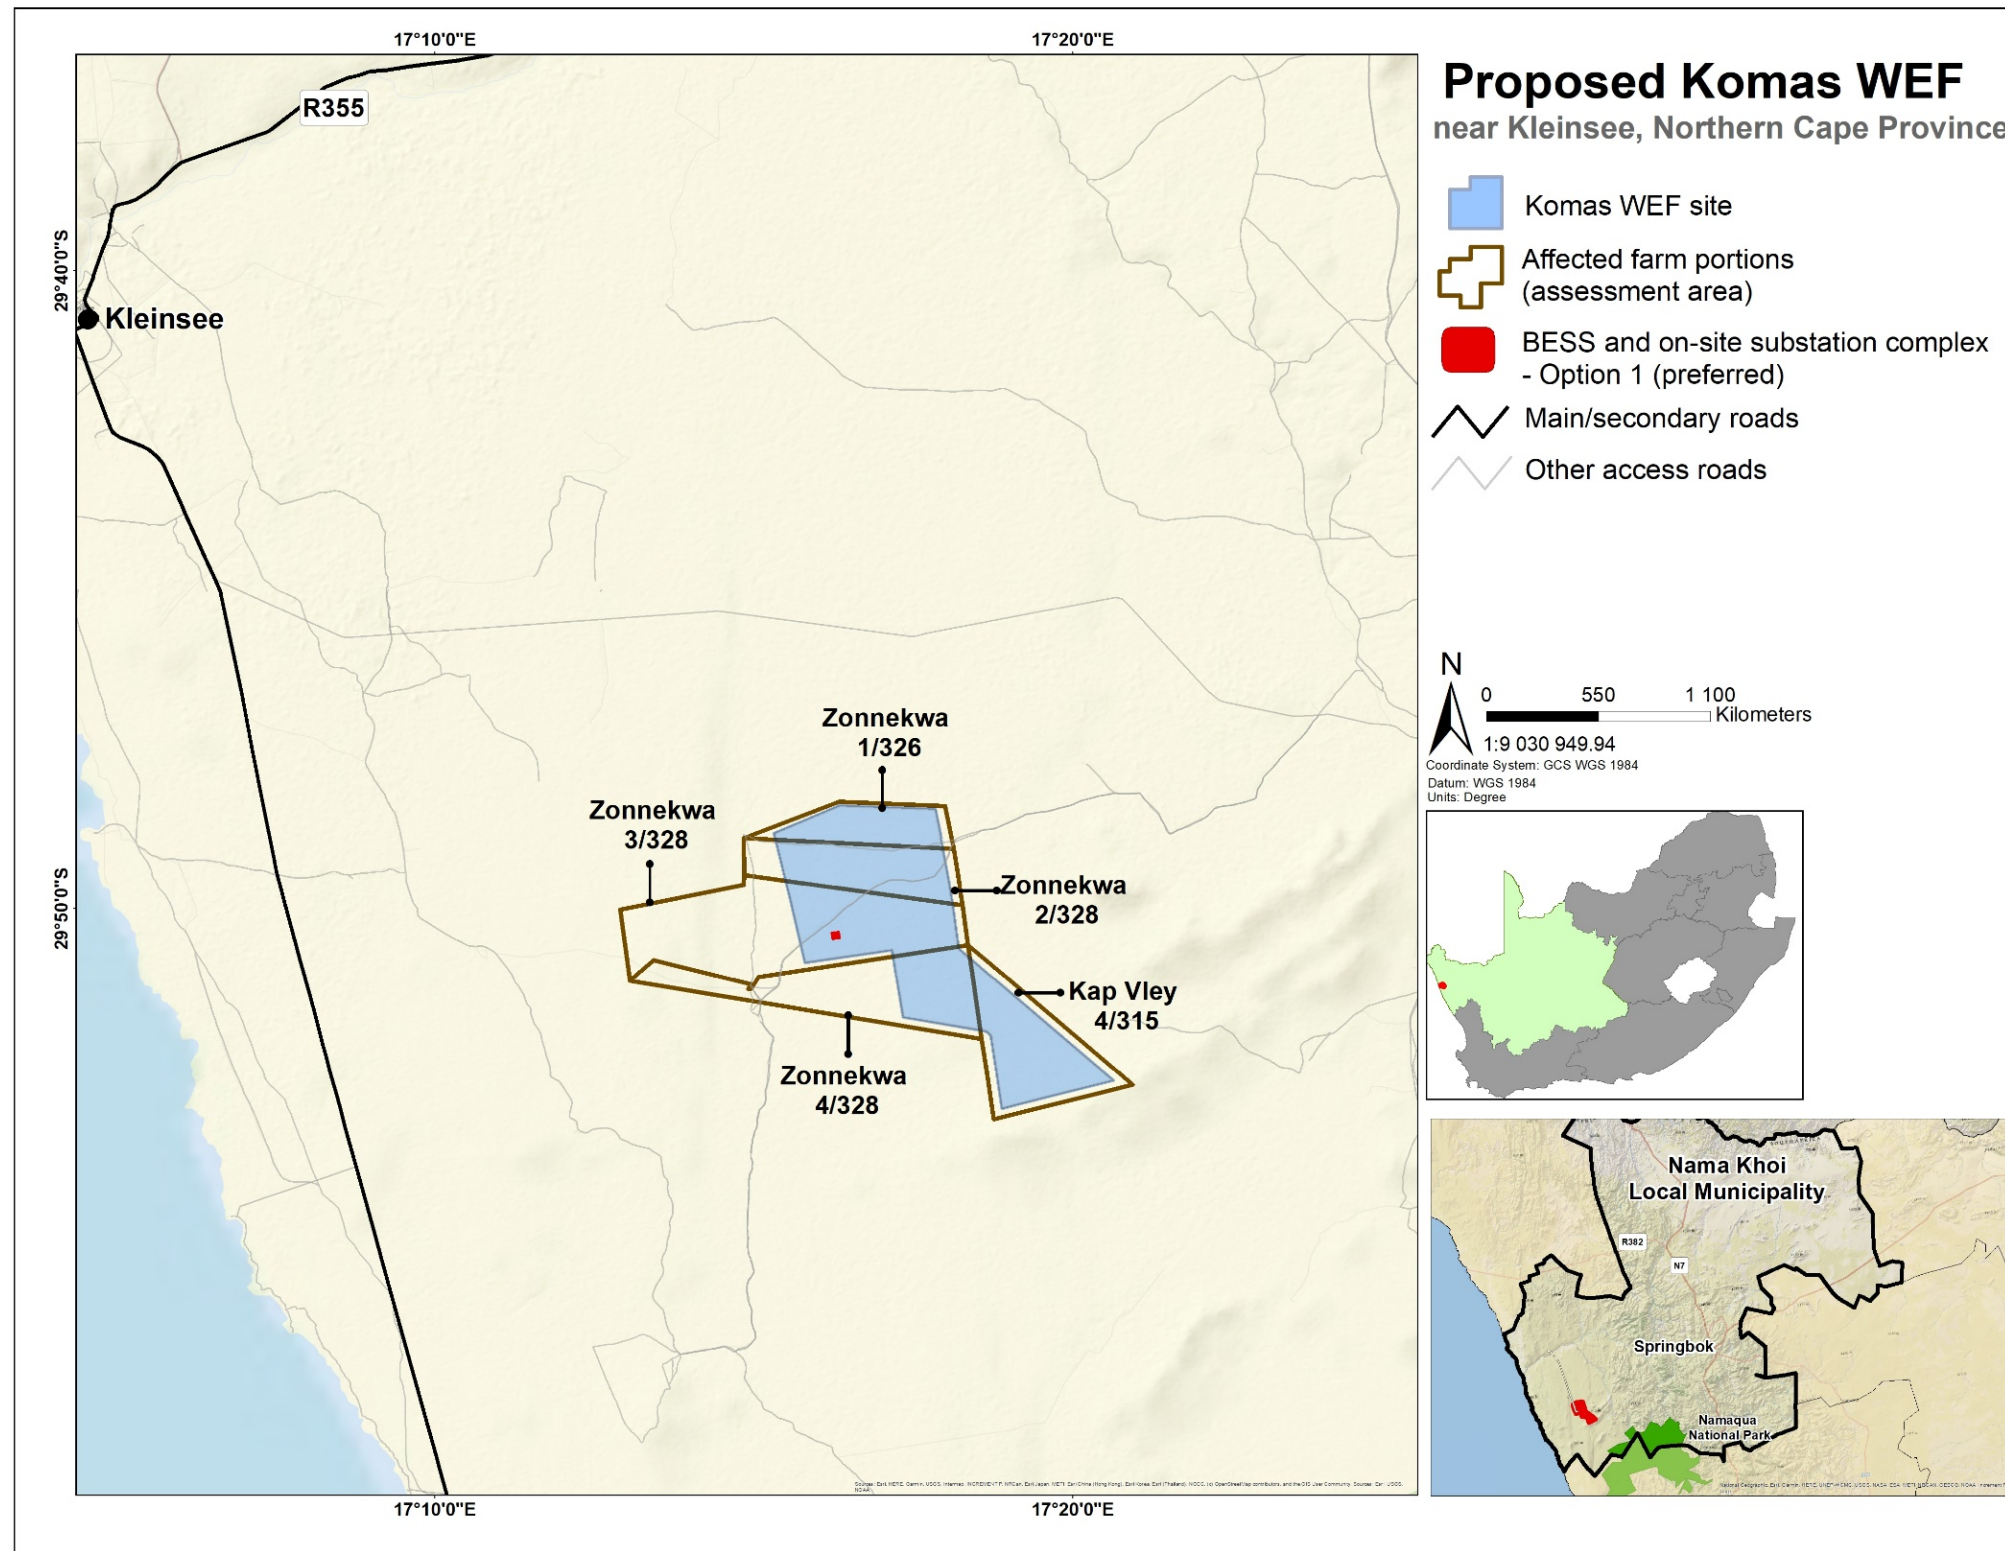

APPENDIX A: MAPS

Appendix A.1a:	Locality map of the proposed Komass Wind Energy Facility and associated infrastructure. _____	2
Appendix A.1b:	Locality map of the proposed Komass Wind Energy Facility and associated infrastructure. _____	3
Appendix A.1c:	Locality of the Proposed Komass WEF in the Springbok REDZ (REDZ 8) (Phase 1 REDZs) and within the Northern EGI Corridor. _____	4
Appendix A.2:	Preferred layout map of the proposed Komass Wind Energy Facility and associated infrastructure. _____	5
Appendix A.3:	Approximate boundary co-ordinate map. _____	6
Appendix A.4:	Wind Turbine positions of the proposed Komass WEF _____	7
Appendix A.5:	Sensitivity Map of the proposed Komass Wind Energy Facility and associated infrastructure. _____	8

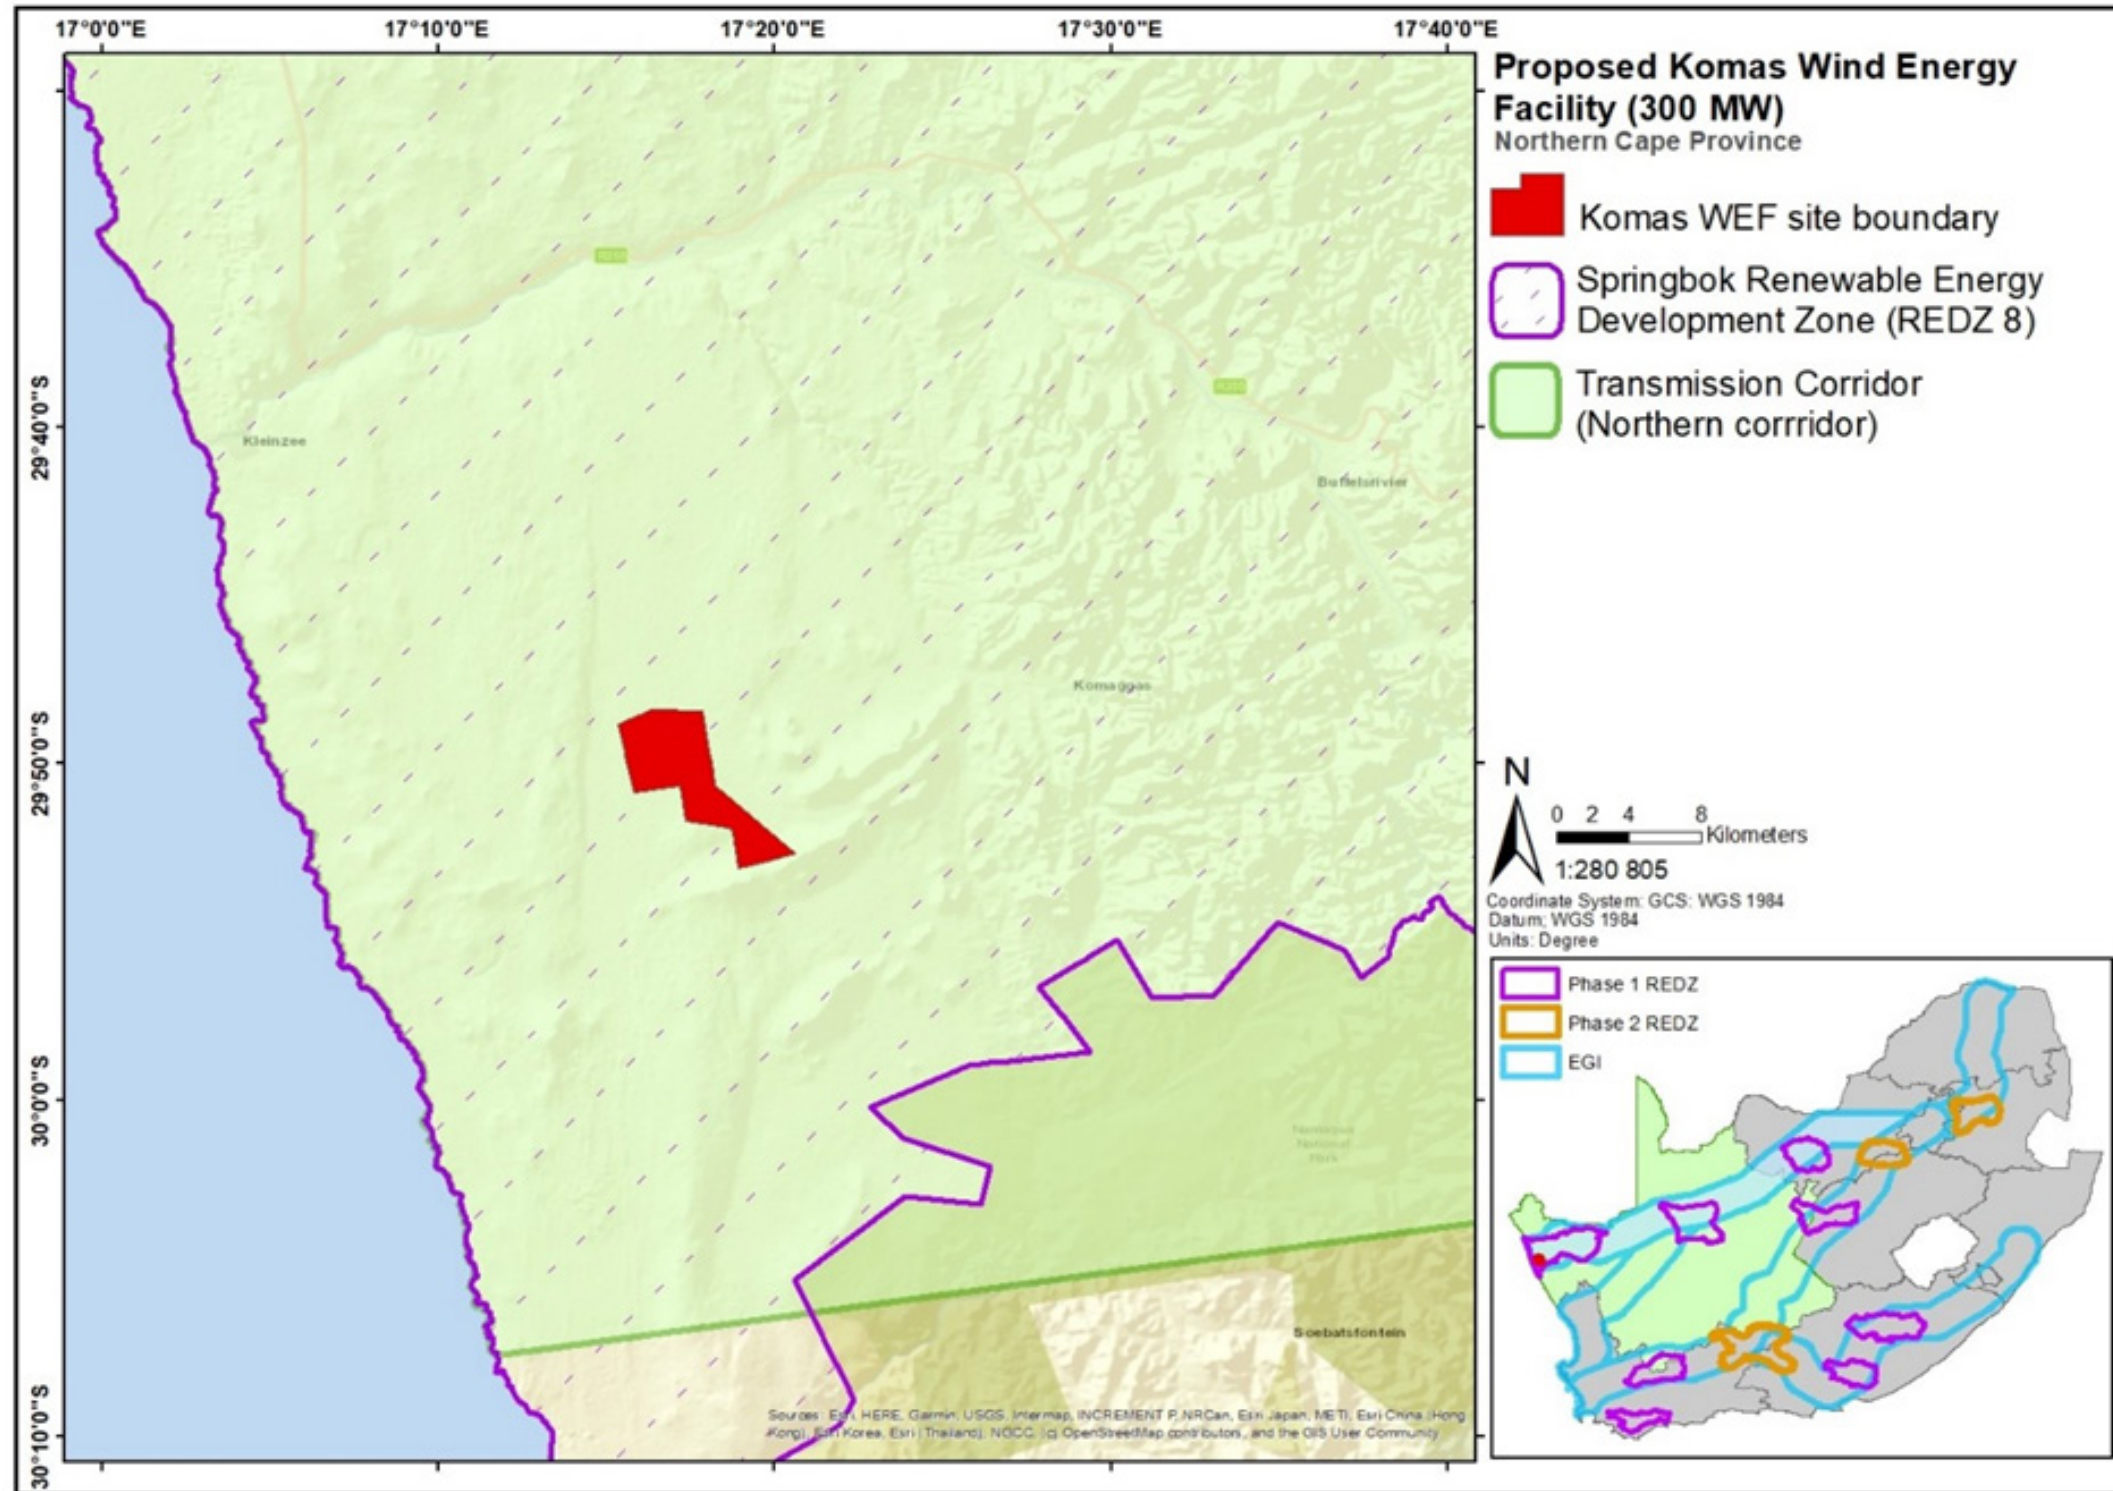

The Basic Assessment for the proposed Komas Wind Energy Facility and associated infrastructure near Kleinsee in the Northern Cape Province.

Appendix A.1a: Locality map of the proposed Komas Wind Energy Facility and associated infrastructure.

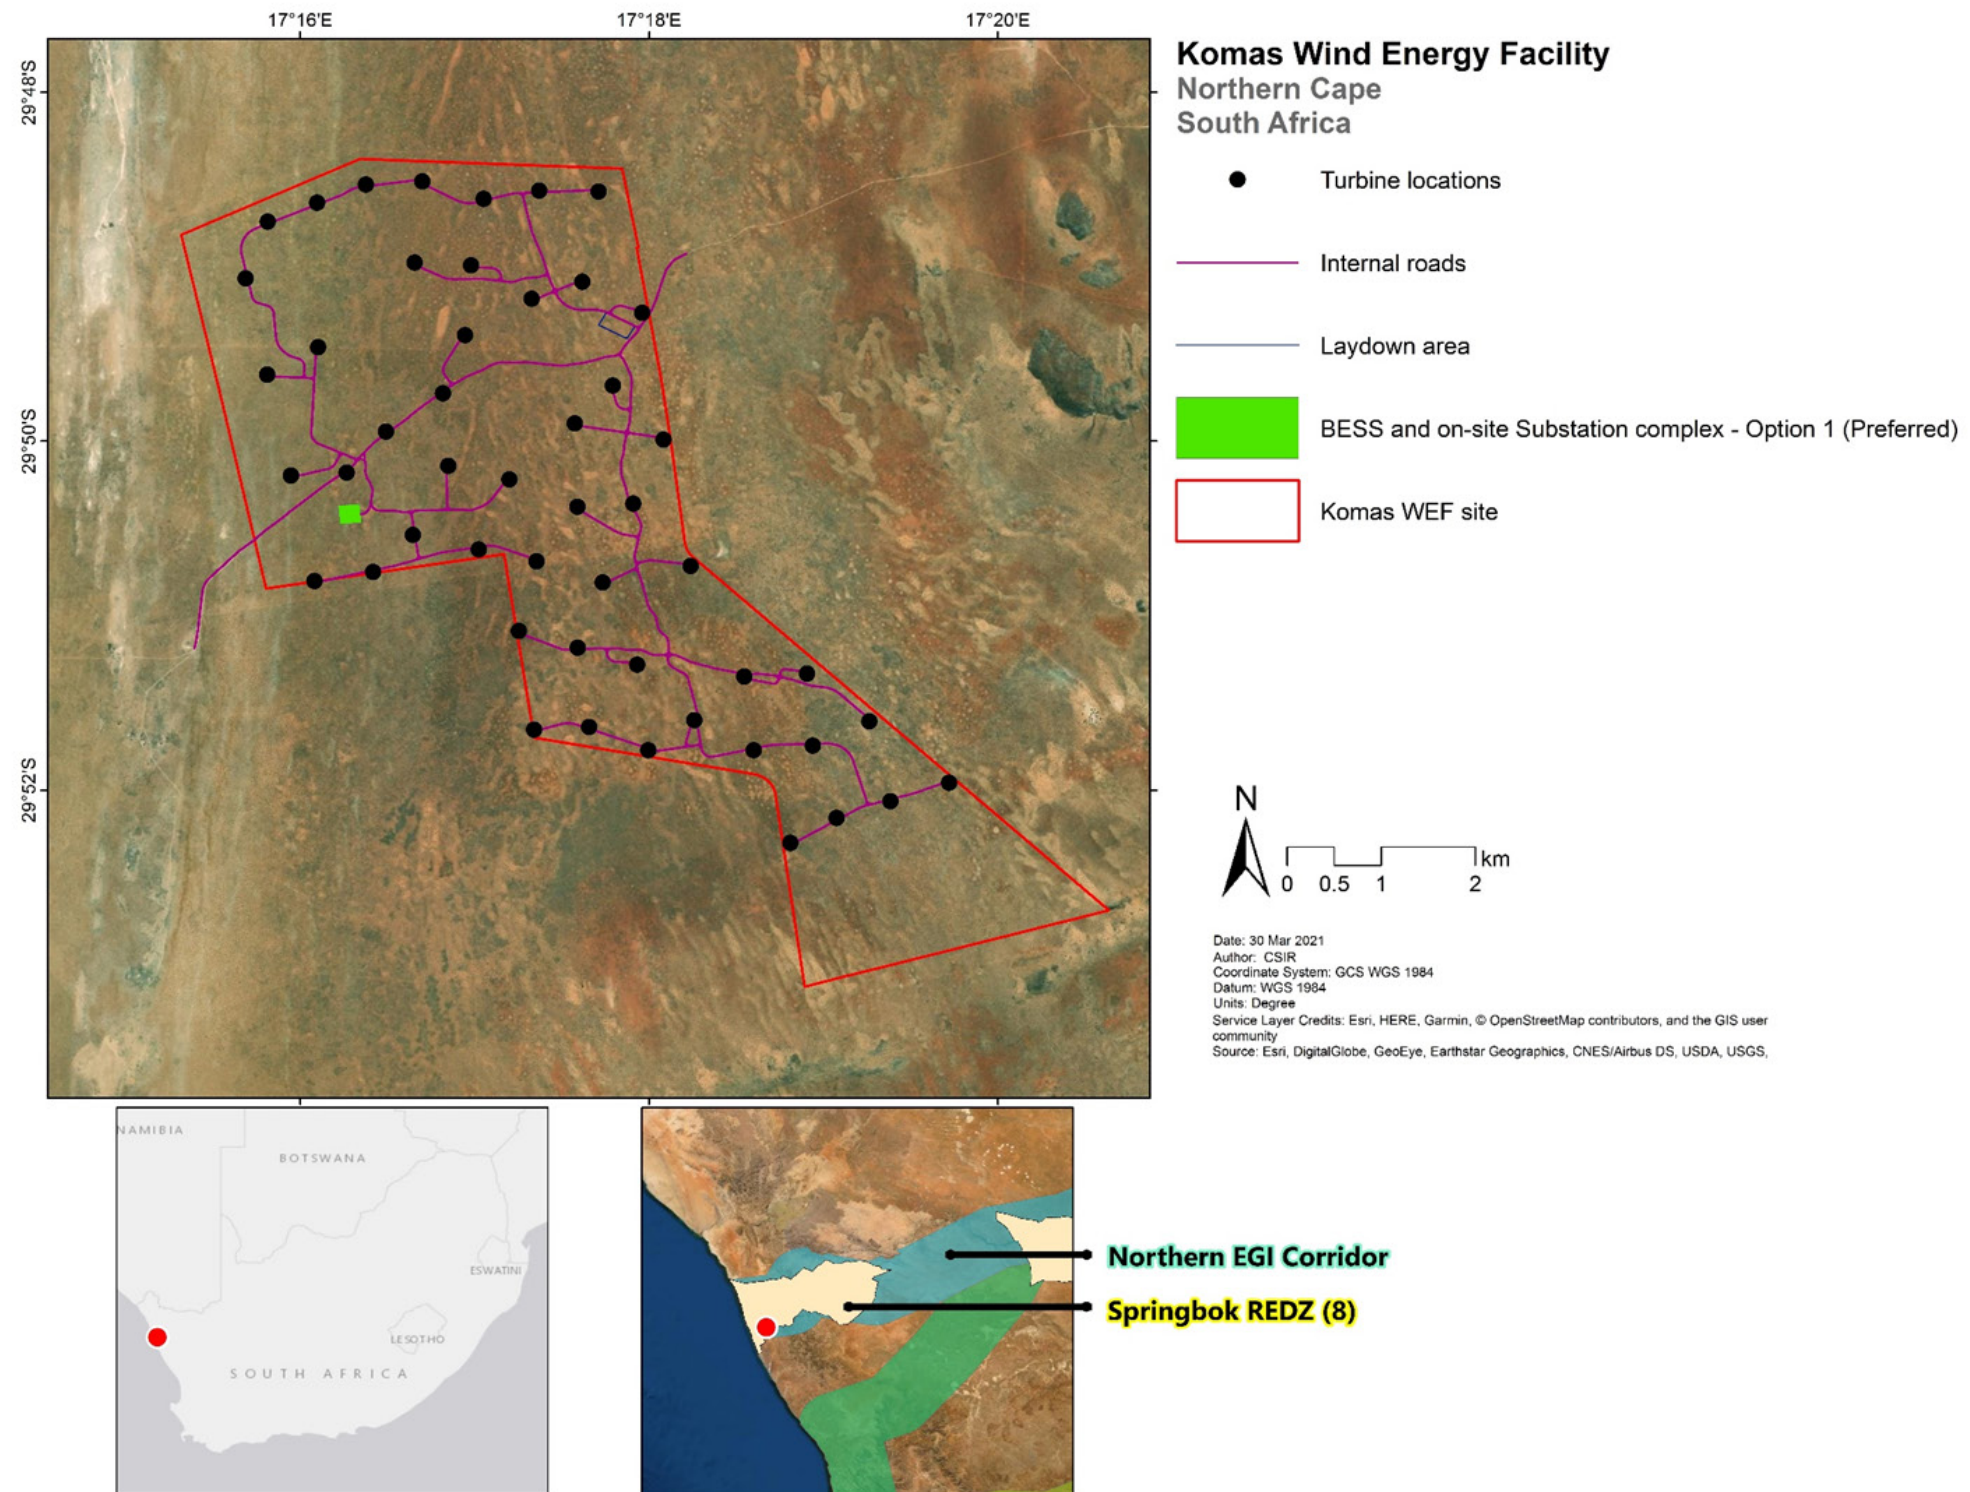

Appendix A.1b: Locality map of the proposed Komas Wind Energy Facility and associated infrastructure.

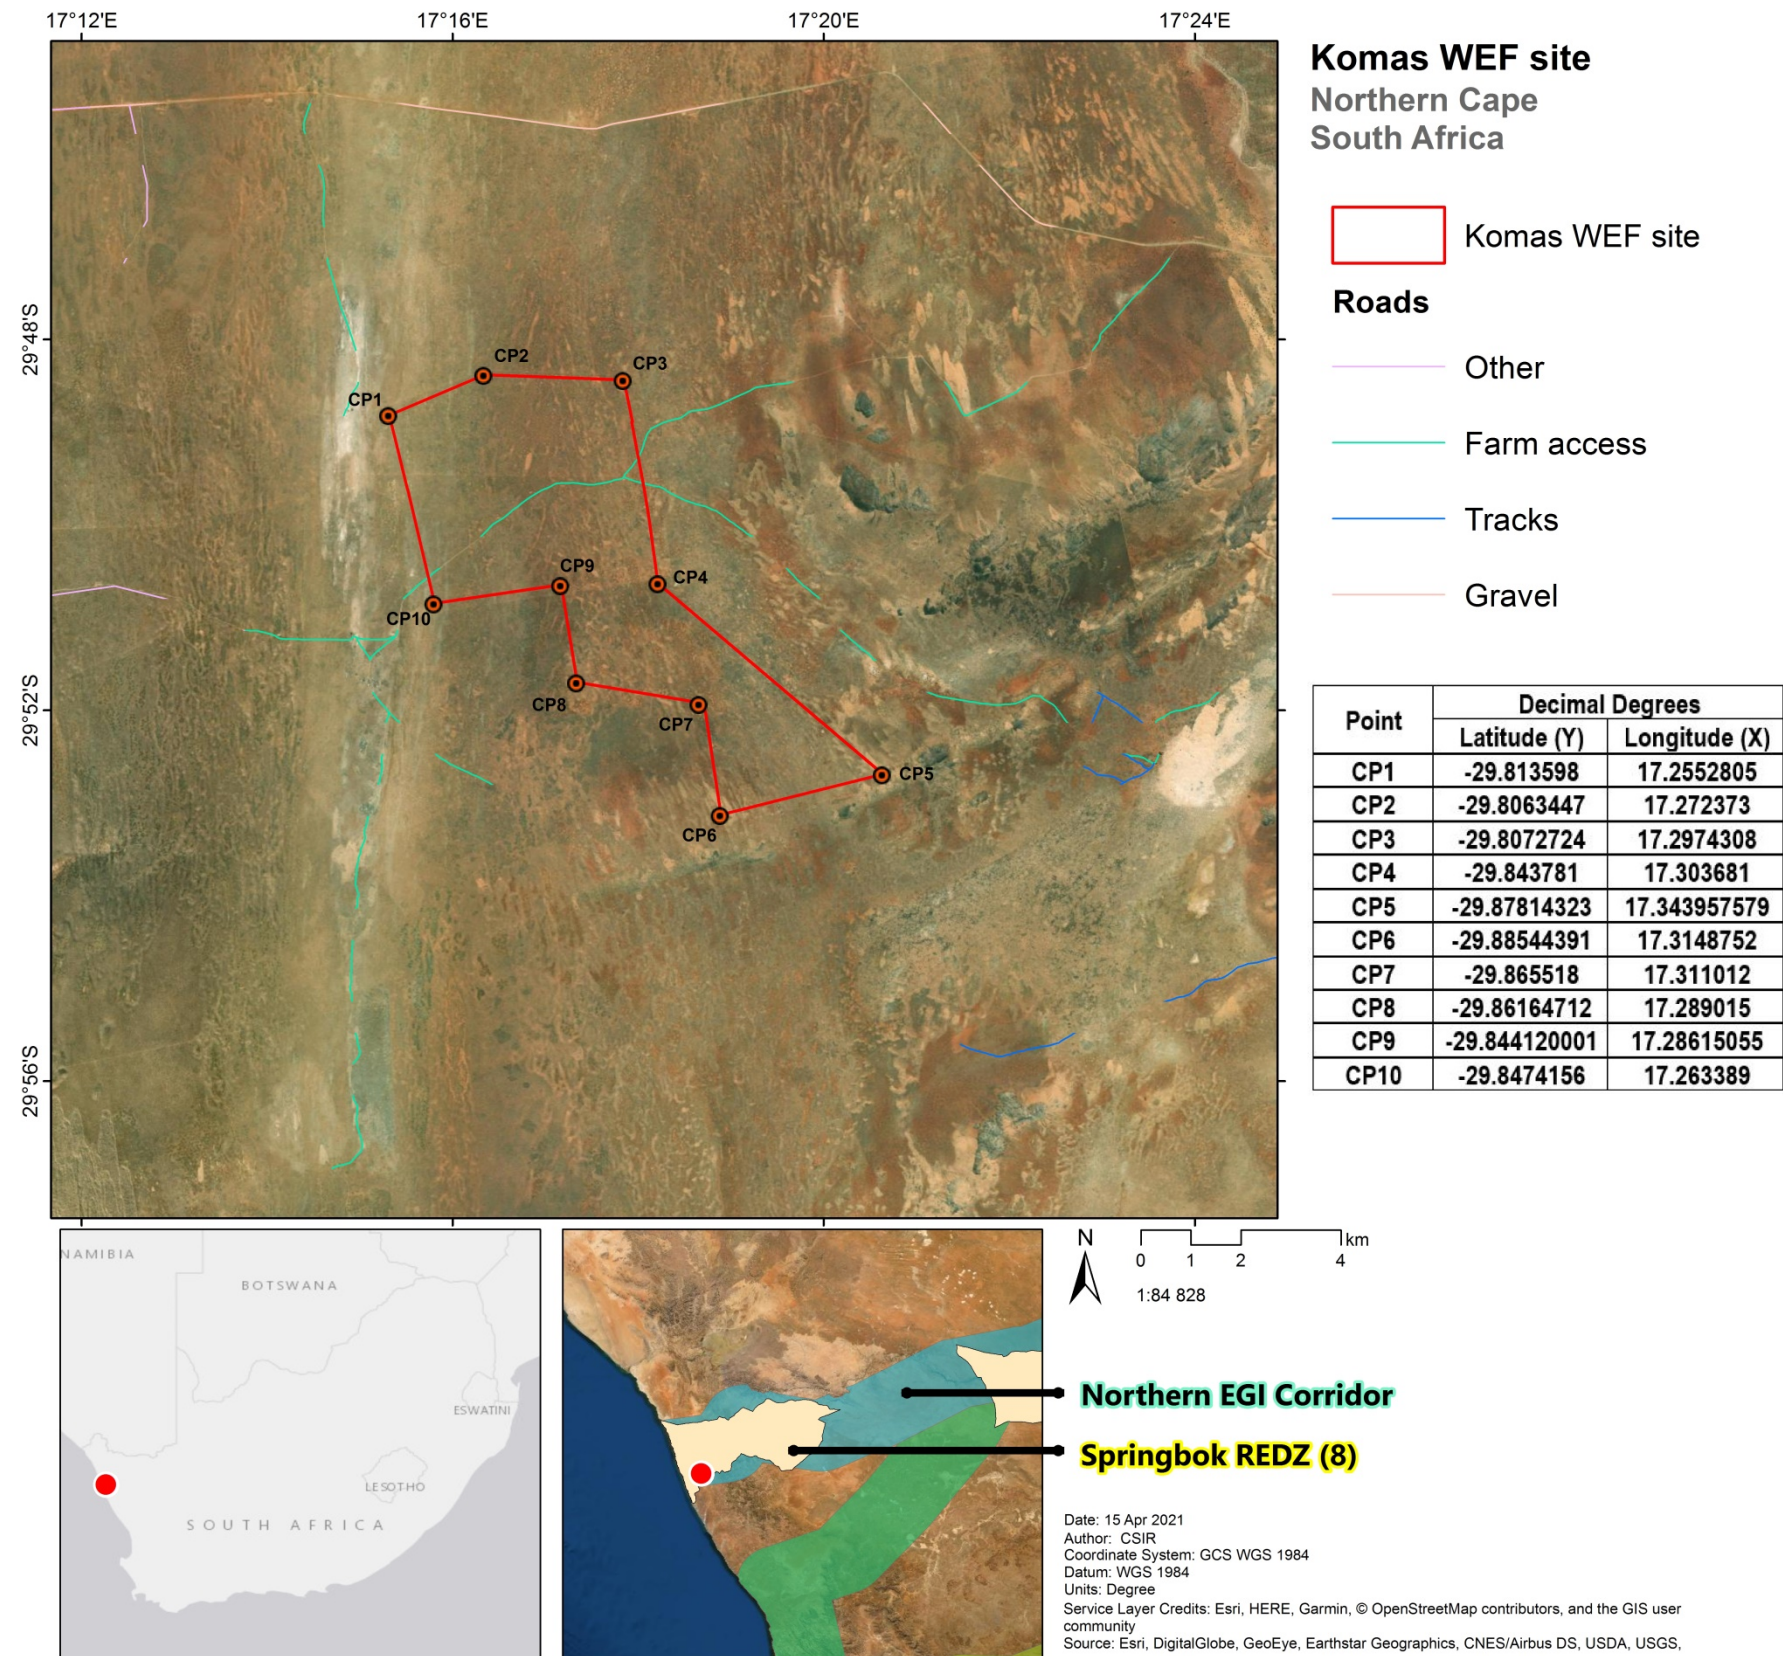

Appendix A.1c: Locality of the Proposed Komas WEF in the Springbok REDZ (REDZ 8) (Phase 1 REDZs) and within the Northern EGI Corridor.

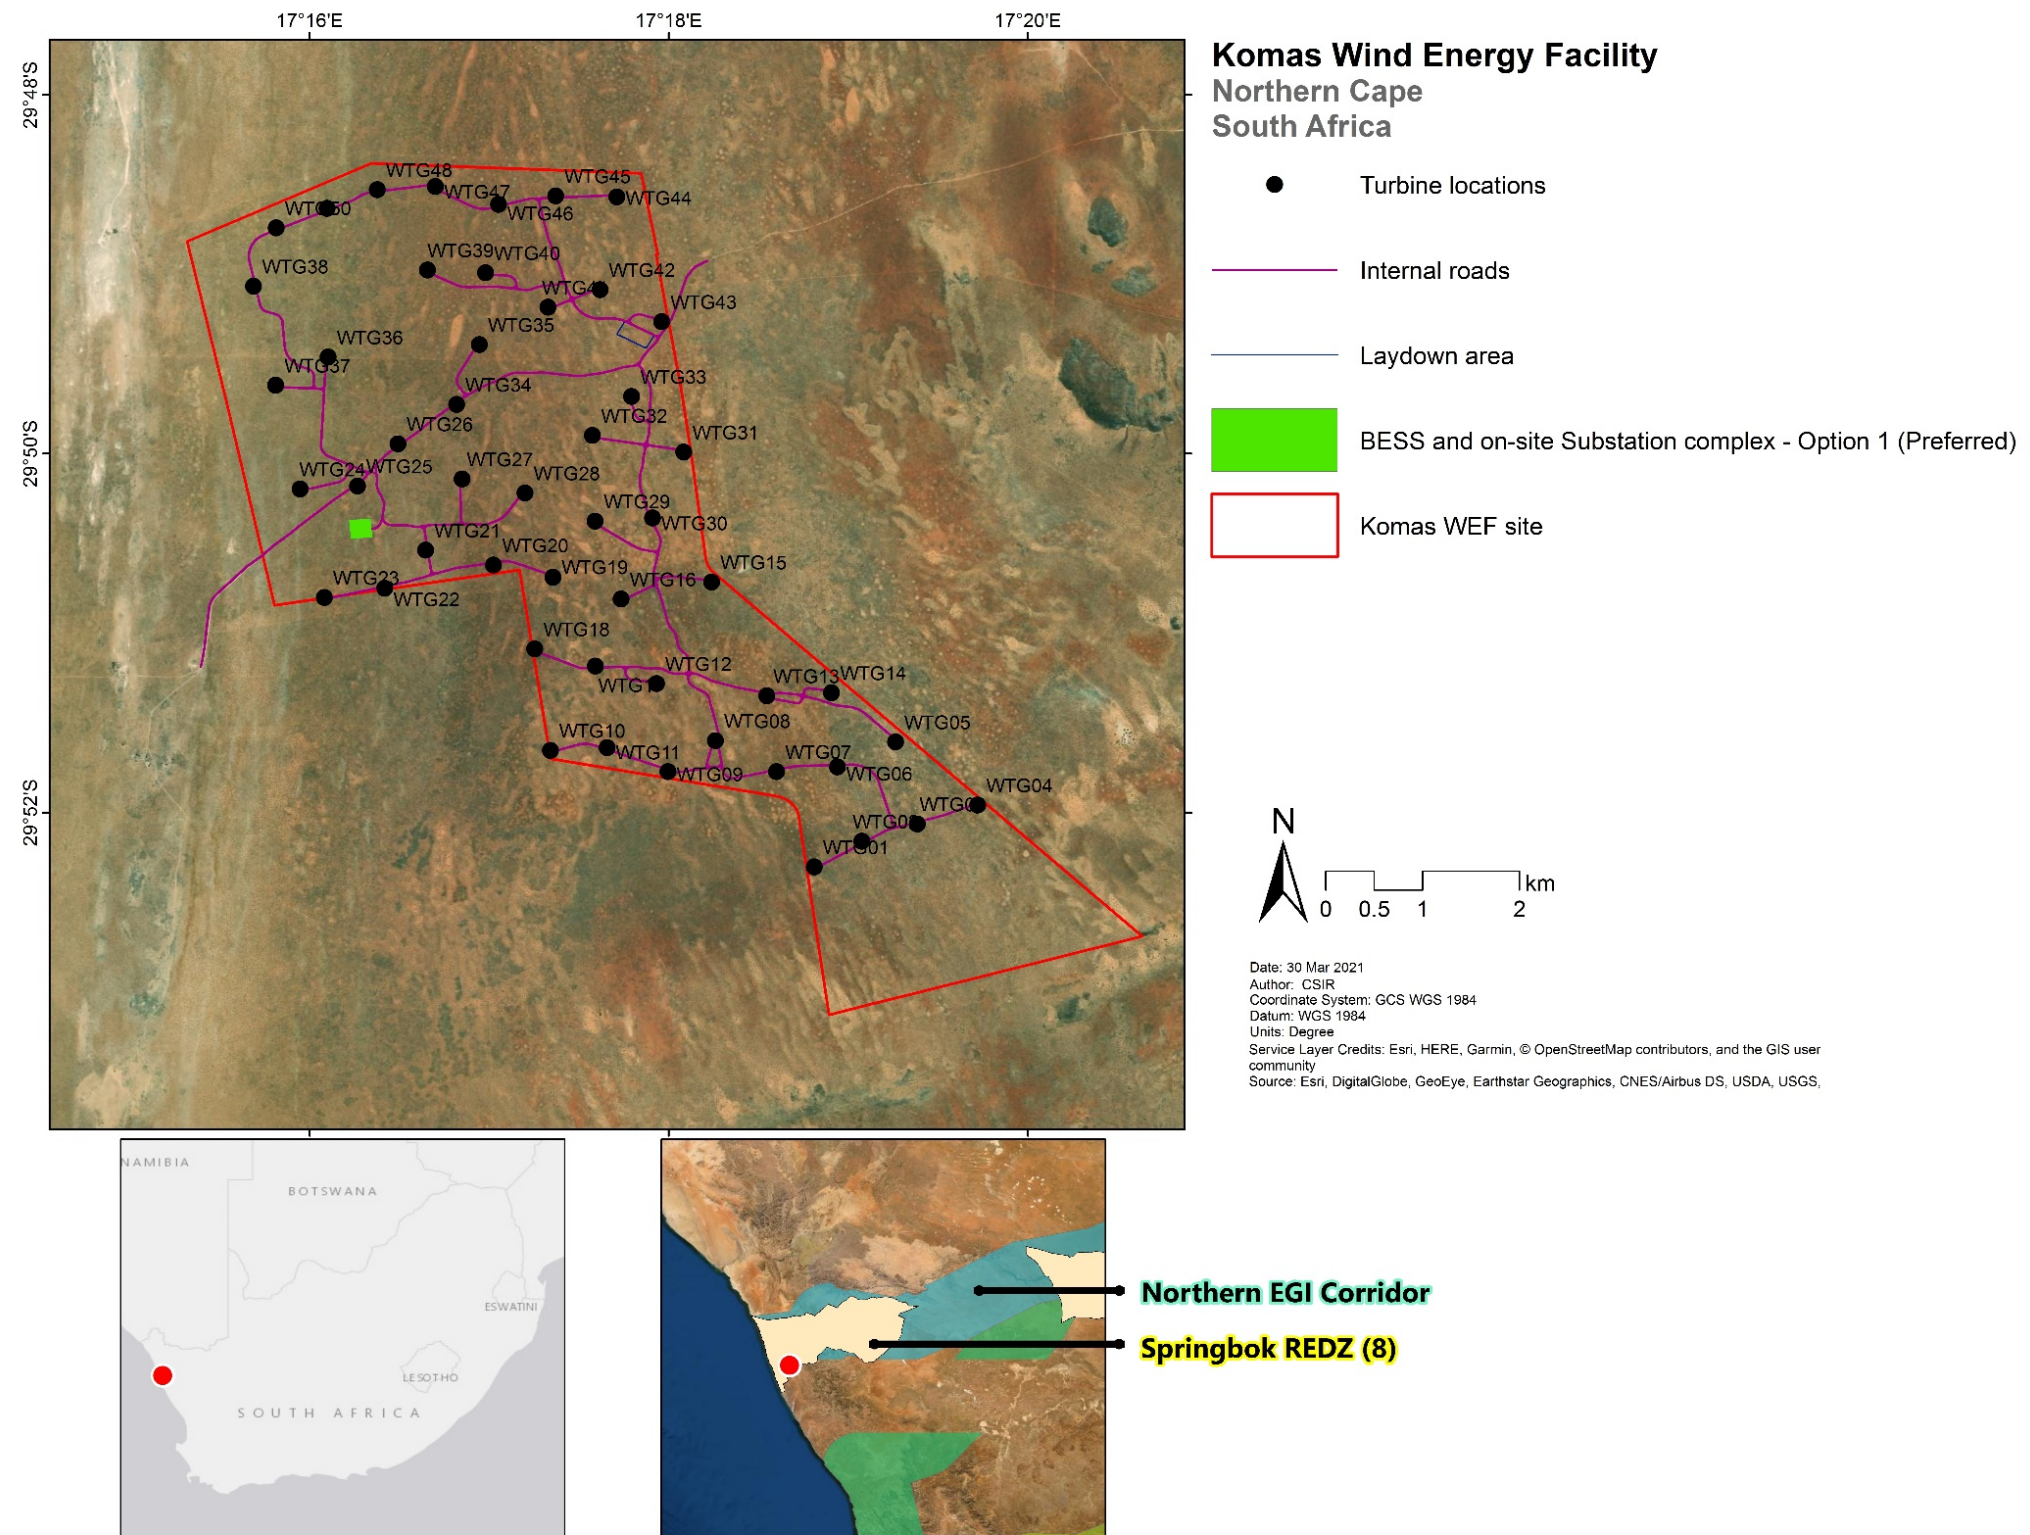

(Note: The map shows the REDZs gazetted in Phase 1 in Government Notice (GN) 114; 16 February 2018) as well as three additional REDZs which have been subsequently gazetted in Phase 2 in Gazette 44191, GN 144 on 26 February 2021).

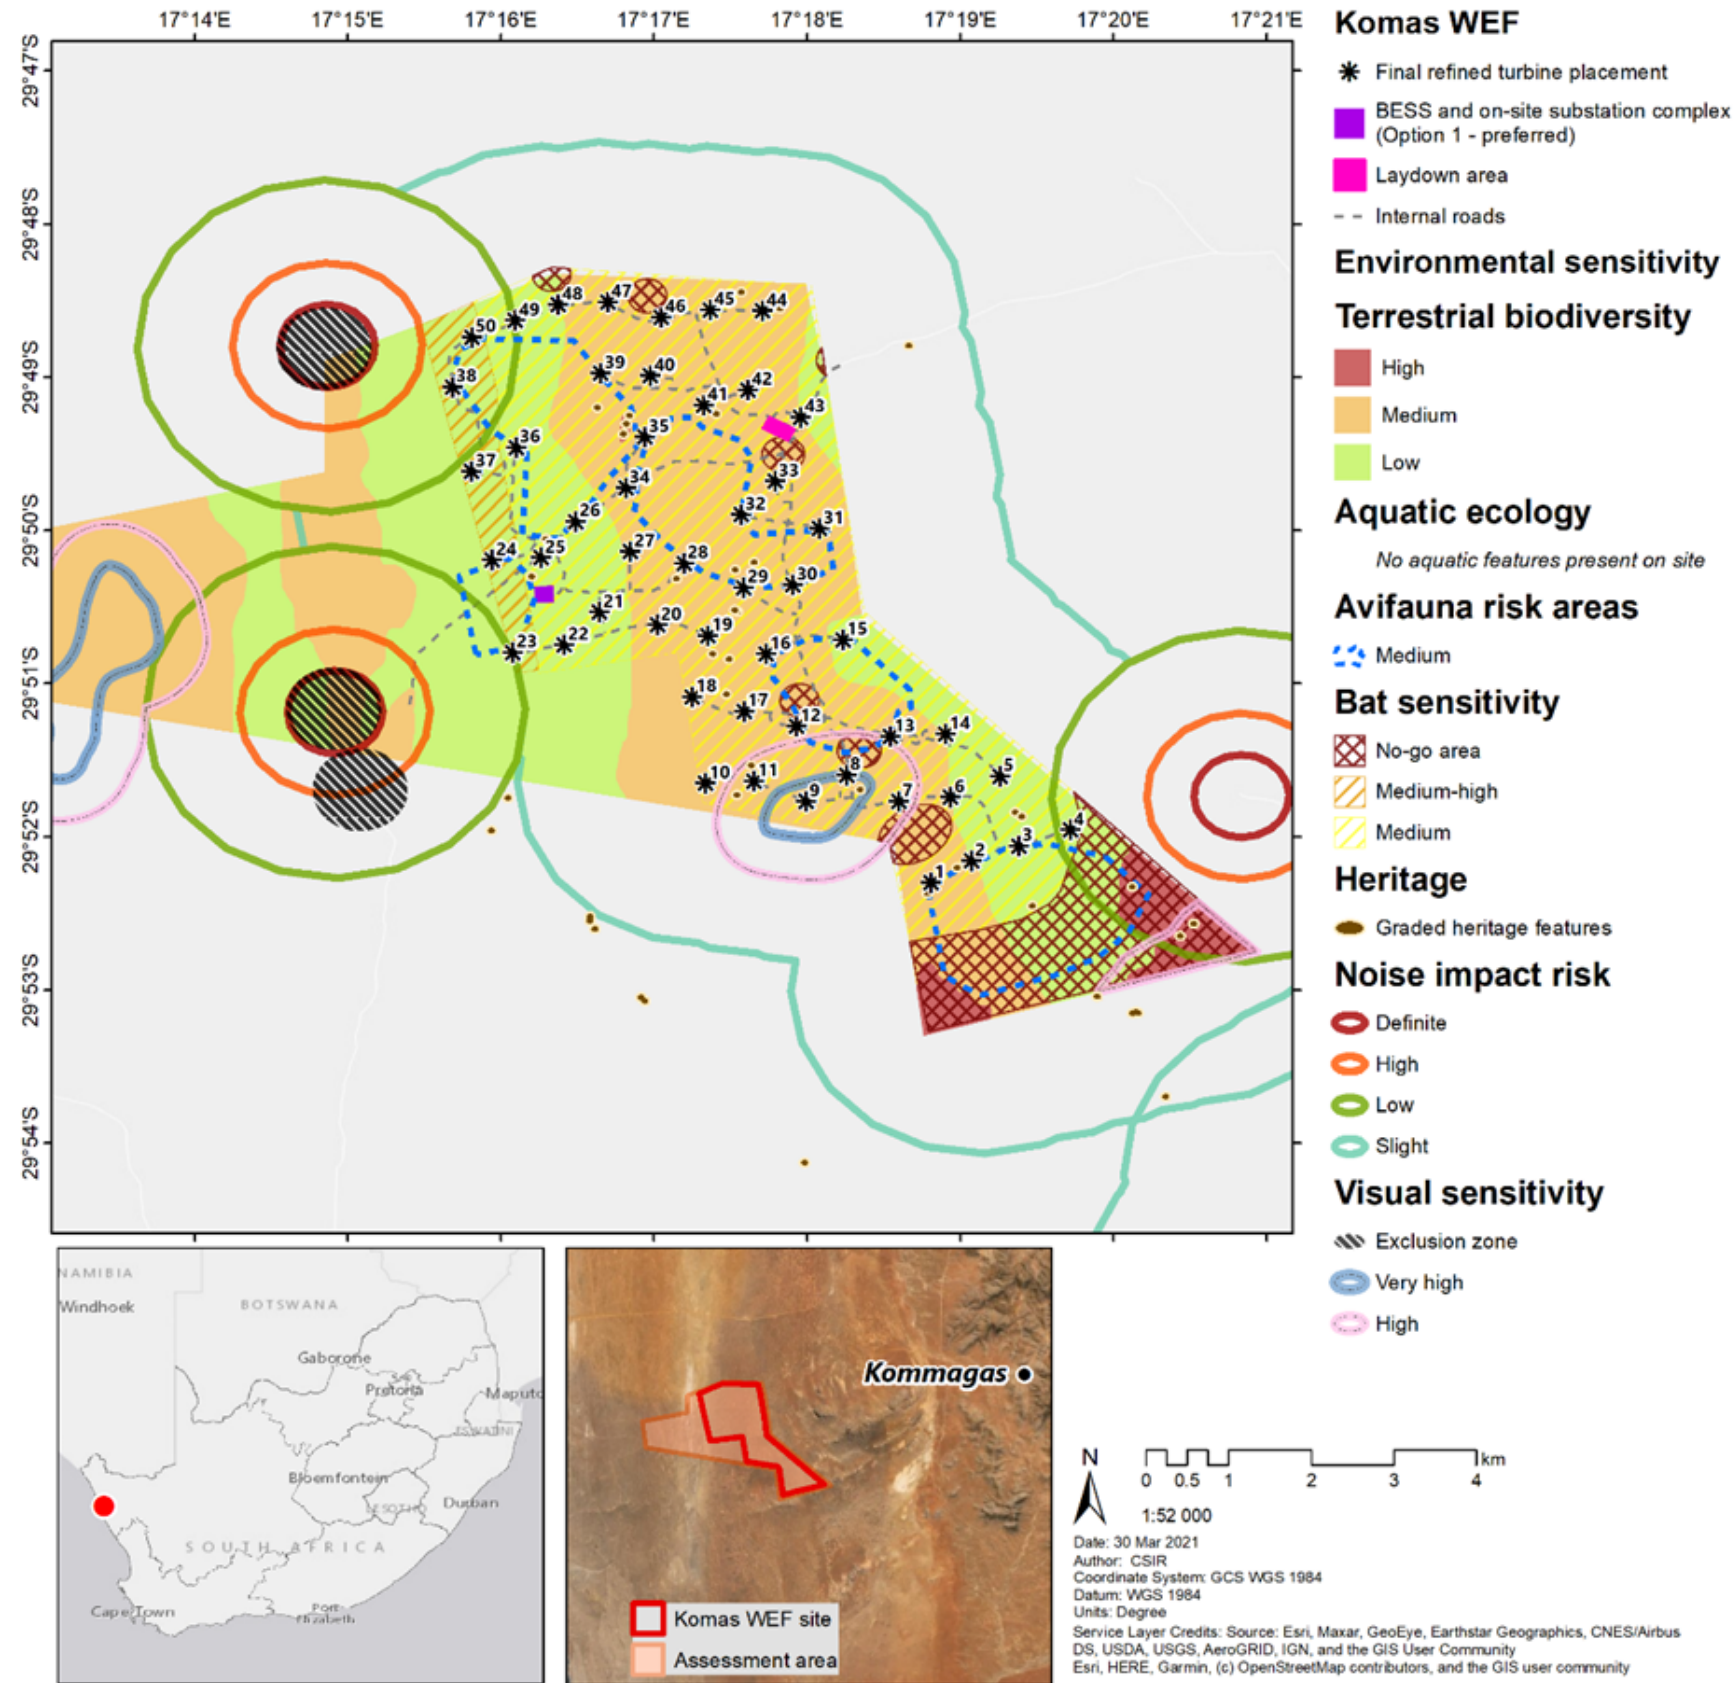

Appendix A.2: Preferred layout map of the proposed Komas Wind Energy Facility and associated infrastructure.

Appendix A.3: Approximate boundary co-ordinate map.

Appendix A.4: Wind Turbine positions of the proposed Komas WEF

Appendix A.5: Sensitivity Map of the proposed Kommas Wind Energy Facility and associated infrastructure.
