

LANDOWNER ACKNOWLEDGMENT OF THE INTENT TO UNDERTAKE A BASIC ASSESSMENT PROCESS

AUTHORISATION OF THE PROPOSED 132KV UP TO 400KV TRANSMISSION POWERLINE ASSOCIATED WITH THE CASTLE WIND ENERGY FACILITY TO HYDRA MAIN TRANSMISSION SUBSTATION NEAR DE AAR IN THE NORTHERN CAPE PROVINCE.

LANDOWNER CONSENT FORM REQUIRED IN TERMS OF CHAPTER 6 REGULATION 39(1) OF THE ENVIRONMENTAL IMPACT ASSESSMENT REGULATIONS (2014), AS AMENDED.

I, Marietha van der Merwe of Identity Number 501208 0056 088 as the lawful owner of Portion 12 of the farm Vendussie Kuil No 165, Portion 13 of the farm Vendussie Kuil No 165, Portion 2 of the farm Slingers Hoek No 2, all held under deed of transfer T57794/1999, hereby give consent for the undertaking of a Basic Assessment process for the proposed authorisation of the 132kV up to 400kV powerline route associated with the authorised Castle Wind Energy Facility on my property. The proposed 132kV up to 400kV powerline is proposed to be located within an existing Eskom servitude on the property. This serves to confirm that I have been informed that a Basic Assessment process is being undertaken by EnviroAgri (Pty) Ltd on my property, on behalf of Eskom Holdings SOC Limited, and give consent to undertake such activity on the property.
