### **CONFIRMATION OF THE APPOINTMENT OF HERITAGE CONTRACTS AND ARCHAEOLOGICAL CONSULTING CC BY IVANPLATS TO CONDUCT HERITAGE CONSERVATION MITIGATION STUDIES**

This is to confirm that Heritage Contracts and Archaeological Consulting CC has been appointed by Ivanplats to conduct heritage mitigation studies in the Platreef project area as well as areas of the associated infrastructure. The proposed study is as per the comments received from SAHRA on the Heritage Impact Assessment (HIA) during the Environmental Impact Assessment (EIA) studies. SAHRA requested that Ivanplats develop a Conservation Management Plan for the continued protection of heritage resources identified in the HIA.

We trust that you find this letter in good order and that it meets with your approval.

Thank you,

Yours faithfully,
