3011	cont	<p>where an escom employee came in the c.s.c accompanied by his colleague and reported that they were working at Tjatane installing earth for electrification project, and while they were digging they came across a human skull. CST Malepe and CST Diko-ela were summoned to attend. They responded through our communication radio and confirmed that it seemed like a human skull. The complainant contacted their environmental workers and they promised to come and collect the skull. No case docket was opened. Only this OB NO was done and it serves as a confirmation that the matter was attended.</p> <p style="text-align: right;">7088934-1 Molomo B M</p>
