

APPENDIX D:

PUBLIC PARTICIPATION PROCESS

Provides a description of the Public Participation Process followed.

1. PUBLIC INVOLVEMENT

A public participation process was undertaken in accordance with the Public Participation Plan submitted (Annexure 1) to the DFFE in terms of the EIA Regulations, 2014, as amended and the Directions regarding measures to address, prevent and combat the spread of COVID-19 relating to National Environmental Management Permits and Licenses dated 05 June 2020.

2. APPROACH TO UNDERTAKING THE PUBLIC PARTICIPATION PROCESS

The following approach was followed in undertaking the public participation process:

a. Identification of and Consultation with I&APs

The first step in the public participation process was to identify the key I&APs. A list of the registered I&APs is attached.

b. Advertising

In accordance with the EIA Regulations, 2014, as amended an advertisement was placed requesting I&APs to register their interest in the project. An advertisement was placed in the Sekhukhune Times of 17 June 2021. A copy of the advertisement is included in Appendix D. A copy of the advertisement is included to this appendix.

c. Site Notice

Site notifications in English in A2 format requesting comments or objections were placed on site and at the Groblersdal public Library on 11 June 2021.

d. Notification Letter and Background Information Document

Notification letters about the project and a Background Information Document were sent out to the particular Ward Councillors, Government Departments that would be relevant to this project and the affected landowners are included to this Appendix.

e. Comments and Response Report

A comments and response report was drafted that included all the issues raised by the Interested and/or Affected Parties as well as the responses to the issues raised. The Comments and Response report is included to this Appendix.

f. Local Authority Involvement

Letters were forwarded to the Elias Motsoaledi Local Municipality and the Sekhukhune District Municipality.

h. Review of Draft Basic Assessment Report

The Draft Basic Assessment Report will be made available to the public for review and comment, within an allocated 30-day period.

3. WAY FORWARD

The comments received will be incorporated into the draft Basic Assessment Report and the final report will be submitted to the DFFE for authorisation.

ANNEXURE 1

PUBLIC PARTICIPATION PLAN

PUBLIC PARTICIPATION PLAN

UPGRADE OF NATIONAL ROAD R574 (DISTRICT ROAD D1547) SECTION 1 FROM R33 GROBLERSDAL (KM 0.0) TO R579 MORWANENG (KM 38.9)

SUBJECT	PLAN	IMPLEMENTATION
<p>Identification of potential I&AP's</p>	<p>Identify the following I&AP's</p> <ul style="list-style-type: none"> - Competent authority/ies - Commenting authorities - Stakeholders - Organs of State - Civil organisations representing the public - Landowners/occupiers of land 	<p><u>Competent authorities:</u></p> <ul style="list-style-type: none"> - National Dept of Forestry, Fisheries and the Environment, - Provincial Department of Water and Sanitation - Heritage Resources Agency <p><u>Commenting authorities:</u></p> <ul style="list-style-type: none"> - Limpopo Department of Economic Development, Environment and Tourism - Biodiversity EIAs, Department of Forestry, Fisheries and the Environment, - Department of Agriculture <p><u>Stakeholders:</u></p> <ul style="list-style-type: none"> - Provincial Department of Public Works and Roads - Eskom - Transnet <p><u>Local authorities:</u></p> <ul style="list-style-type: none"> - Sekhukhune District Municipality Municipal Manager - Elias Motsoaledi Local Municipality: Speakers Office; Municipal Manager; Ward Councillors with jurisdiction in the proposed project area. <p><u>Land owners and occupiers of land:</u></p> <ul style="list-style-type: none"> - Land owners and occupiers of land adjacent to the proposed project <p><u>Public:</u></p> <ul style="list-style-type: none"> - The public in general and the communities
<p>Consultation process</p>	<p>Notification and consultation: Written notifications included a BID and Location plan</p>	<p>All abovementioned I&AP's will be notified in writing and notices delivered electronically</p>

		<p>besides the land owners and occupiers of land adjacent to the proposed project and the public in general. They will be notified via site notices erected on site (start centre and end of project), public libraries (public place) and placement of an advertisement in the local newspaper and by the ward councillors.</p> <p>All I&AP's will be registered in an I&AP register.</p> <p>All issues and responses from I&AP's will be recorded in the Comments and Responses Report</p>
	Site Notices	Site notices will be erected at the Elias Motsoledi Local Municipality library, as well as at the start, centre and end of the project
	Newspaper advertisement	An advertisement will be placed in the local newspaper.
	Registration of I&AP's	All responding I&AP's will be registered in the List of Interested and Affected Parties with their contact details
	Focus group meetings	Focus group meetings, if possible, will be held with landowners that are directly affected by the proposed alignment and will be affected by any land acquisition process. However, due to the Covid-19 epidemic, letters of notification will be sent to them.
	All draft document: Draft Scoping and Plan of Study of EIA, Draft EIR and EMPr	<p>A copy of the Draft BAR will be made available for public viewing at a public place and registered I&AP's be made aware of the availability of the documents and commenting time-frames.</p> <p>Copies will be made available to Government Departments, either electronically or in hard format as indicated by them.</p>
	Compilation of a Comments and Responses Report	All comments, issues, complaints and responses will be recorded in a Comments and

		Responses report
	Response to comments, issues, complaints.	All issues raised will be responded to in writing
	Decision on application for environmental authorisation	All registered I&AP's will be notified on the final decision made by the competent authority.
	Appeals	All I&AP's will be informed on the appeals process to be followed.
<p>NB- It should be noted that both the DFFE and the Applicant (SANRAL) implemented a policy of limited personal contact including meetings, conferences and other gatherings during the Covid 19 pandemic. Therefore, e-mails will be sent to landowners. No community meetings will however, be conducted as communities are represented by Ward Councillors and Farmers Associations regular updates on the project will be presented to the ward councillors and representative associations. The Applicant will also appoint PLO's (Public Liaison Officers) to the project to be in constant contact with community leaders, ward councillors and other community representatives.</p>		

forestry, fisheries & the environment

Department:
Forestry, Fisheries and the Environment
REPUBLIC OF SOUTH AFRICA

PRE-APPLICATION MEETING REQUEST

Request for a pre-application meeting in terms of Regulation 8 of the National Environmental Management Act, Act No. 107 of 1998, as amended and the Environmental Impact Assessment (EIA) Regulations, 2014, as amended (the Regulations)

PROJECT TITLE

UPGRADE OF NATIONAL ROAD R574 (DISTRICT ROAD D1547) SECTION 1 FROM R33 GROBLERSDAL (KM 0.0) TO R579 MORWANENG (KM 38.9)

Kindly note the following:

1. This form must always be used for pre-application meeting requests where this Department is the Competent Authority.
2. This application form is current as of **April 2021**. It is the responsibility of the Applicant / Environmental Assessment Practitioner (EAP) to ascertain whether subsequent versions of the form have been published or produced by the Competent Authority. The latest available Departmental templates are available at <https://www.environment.gov.za/documents/forms>.
3. The onus on Applicant/EAP to determine all applicable listed activities that would require Environmental Authorisation prior to the commencement of the construction activities. Should any revision of your development comprise any other activities that constitute a listed activity/ies as defined in GN R983, R984 and R98 of 04 December 2014, as amended, it must also form part of the Application for Environmental Authorisation.
4. Be reminded that it is not compulsory in terms of the EIA Regulations that a pre-application meeting must take place prior to an application being lodged with the Department.
5. This form must be lodged with the Department at least **one (1) month** prior to the requested meeting date.
6. Please note that the proposed date and time will be confirmed prior to the meeting.
7. A detailed motivation and agenda must be appended to this meeting request.
8. This form must be marked **“for Attention: Chief Director: Integrated Environmental Authorisations”** and submitted to the Department via email.
9. All fields are compulsory.
10. The required information must be typed within the spaces provided in the form. The sizes of the spaces provided are not necessarily indicative of the amount of information to be provided. Spaces are provided in tabular format and will extend automatically when each space is filled with typing. A legible font type and size must be used when completing the form. The font size should not be smaller than 10pt (e.g. Arial 10).
11. **Note that the EAP is required to submit minutes of the meeting to the Department for approval as per the timeframes agreed to in the meeting.**
12. The Department reserves the right to refuse the pre-application meeting based on the information provided in this request.

Departmental Details

Online Submission:
EIAapplications@environment.gov.za

Please read the process for uploading files to determine how files are to submitted to this Department.

Physical address:
Department of Forestry, Fisheries and the Environment
Attention: Chief Director: Integrated Environmental Authorisations
Environment House
473 Steve Biko Road
Arcadia

Queries must be directed to the Directorate: Coordination, Strategic Planning and Support at:
Email: EIAAdmin@environment.gov.za

1. APPLICANT CONTACT DETAILS

Name of the Applicant:	The South African National Roads Agency Soc Limited		
RSA Identity/ Passport Number:	1998/009584/06		
Name of contact person for applicant (if other):	Mr Mogole Mphahlele		
RSA Identity/ Passport Number:	1998/009584/06		
Responsible position, e.g. Director, CEO, etc.:	Environmental Coordinator		
Company/ Trading name (if any):	The South African National Roads Agency Soc Limited or SANRAL		
Company Registration Number:	1998/009584/06		
BBBEE status:	State owned company		
Physical address:	48 Tambotie Avenue, Val De Grace, Pretoria		
Postal address:	PO Box 415, Pretoria		
Postal code:	0001	Cell:	083 474 1041
Telephone:	012 844-8000	Fax:	012 844-8200
E-mail:	Mphahlelem@nra.co.za		

2. ENVIRONMENTAL ASSESSMENT PRACTITIONER CONTACT DETAILS

Company of Environmental Assessment Practitioner:	Chameleon Environmental		
B-BBEE	Contribution level (indicate 1 to 8 or non-compliant)	2	Percentage Procurement recognition
EAP name:	Dr Josephine Bothma		
EAP Qualifications:	PhD Environmental Management		
Professional affiliation/registration:	EAPASA Nr 2019/246		
Physical address:	15 Els Street, Silver Lakes, 0081		
Postal address:	P O Box 11788, Silver Lakes		
Postal code:	0054	Cell:	0825716920
Telephone:	012 809-1704	Fax:	0866855080
E-mail:	Ce.j@mwebbiz.co.za		

3. COMPETENT AUTHORITY

Identified Competent Authority to consider the application:

National Department of Forestry, Fisheries and the Environment

Reason(s) in terms of S24C of NEMA:

SANRAL is an Organ of State

4. MEETING DETAILS

Purpose of the meeting request	There is no need for a meeting.	
Any advice requested before from the Department on this project i.e. from IQ or via email (attached response received)	Yes	No x
Applicant Category	Application by Parastatal	
	Organ of State	x
	Private Individual/Parties	
Application type	Application for EA	x
	Application for Integrated EA	
	Application for Amendment EA	
Proposed meeting date and time-slot. Provide three alternative dates and time-slots (<i>note that the Department requires at least a month due to logistical arrangements</i>)		
Date	Time-slot	
	Start time	End time
1		
2		
3		
Duration of the meeting		
Estimated number of people attending meeting		

Please attach a proposed agenda as **APPENDIX 1**. If the Applicant or EAP intends to discuss several projects in one meeting, separate agendas must be drafted for each proposed project and the project details for each project. Please note that a detailed agenda is required.

5. PROJECT DETAILS

Project description	<p>The project comprise, <i>inter alia</i>, of the following:</p> <ul style="list-style-type: none"> <input type="checkbox"/> Increasing road reserve width (variable), <input type="checkbox"/> strengthening the existing pavement, <input type="checkbox"/> widening of the existing road cross section to a new proposed single and dual carriageway cross-section, <input type="checkbox"/> vertical and horizontal geometric improvements/realignments, <input type="checkbox"/> vertical and horizontal re-alignment from km6-km10, <input type="checkbox"/> widening of river bridges and major and minor bridges/culverts, <input type="checkbox"/> improvements of minor and major intersections, <input type="checkbox"/> walkways and busbays, <input type="checkbox"/> access/service roads, <input type="checkbox"/> Lighting at intersections, <input type="checkbox"/> Kerbed/concrete median barriers <input type="checkbox"/> Temporary deviations to accommodate two-way traffic during construction at major structures.
---------------------	--

	▯ Stockpile areas and vegetation clearance outside road reserve in excess of one hectare
Indicate if any screening has taken place on site	The project road is located on National Route R574 Section 1. The southern project limit is of km 0.0 at the intersection of R579/R33 and the northern project limit is km 38.9 at the intersection of the R574/R579. The total length of the project is 38.9km.
Physical Address where the development will take place	R574, section 1
Farm name(s)/ Erf No	R574 road reserve
Local Municipality	Elias Motsoaledi Local Municipality
District Municipality	Sekhukhune District Municipality in the Limpopo Province

Locality map:	<p>A locality map must be attached to the application form, as APPENDIX 2. The scale of the locality map must be at least 1:50 000. For linear activities of more than 25 kilometres, a smaller scale e.g. 1:250 000 can be used. The scale must be indicated on the map. The map must include the following:</p> <ul style="list-style-type: none"> • an accurate indication of the project site position as well as the positions of the alternative sites, if any; • road names or numbers of all the major roads as well as the roads that provide access to the site(s) • a north arrow; • a legend; • the prevailing wind direction; • site sensitivities, including but not limited to vegetation, wetlands, watercourses, heritage sites, critical biodiversity area/s, World Heritage Site, etc. and it must be overlaid by the study area; and • GPS co-ordinates (Indicate the position of the proposed activity with the latitude and longitude at the centre point for each alternative site. • The co-ordinates should be in degrees and decimal minutes. The minutes should be to at least three decimal places. The projection that must be used in all cases is the WGS-84 spheroid in a national or local projection)
---------------	--

6. ACTIVITIES APPLIED FOR

For an application for authorisation that involves more than one listed activity that, together, make up one development proposal, all the listed activities pertaining to this application must be provided below.

Activity No(s):	Provide the relevant Basic Assessment Activity(ies) as set out in Listing Notice 1 of the EIA Regulations, 2014 as amended.	Describe the portion of the proposed project to which the applicable listed activity relates.
12	GN R. 983, as amended in GN R. 327: Item 12 The development of infrastructure or structures with a physical footprint of 100 square metres or more where such development occurs within a watercourse.	Bridges will be constructed over the watercourses on the project that will exceed 100 sq metres in extent.
19	GN R. 983, as amended in GN R. 327: Item 19 The infilling or depositing of any material of more than 10 cubic metres into, or removal or moving of soil from a watercourse.	The material that will be required for infilling or depositing will be approximately 500,000 m ³ in total.
24	GN R. 983, as amended in GN R. 327: Item 24 The development of a road (ii) with a reserve wider than 13.5 m or where no reserve exists where the road is wider than 8 m	The road reserve will be wider than 13.5 m (80 m) The road will be approximately 30 m wide.
Activity No(s):	Provide the relevant Basic Assessment Activity(ies) as set out in Listing Notice 3 of the EIA Regulations, 2014 as amended.	Describe the portion of the proposed project to which the applicable listed activity relates.
	None	
Activity No(s):	Provide the relevant Scoping and EIR Activity(ies) as set out in Listing Notice 2 of the EIA Regulations, 2014 as amended.	Describe the portion of the proposed project to which the applicable listed activity relates.
	None	

Be reminded that the onus is on the applicant to ensure that all applicable listed activities are included in the application. Environmental Authorisation must be obtained prior to commencement with each applicable listed activity.

7. ADDITIONAL INFO, IF ANY

Please attach any additional information as APPENDIX 3.

Good day

The Public Participation Process (PPP) Plan for the abovementioned project received on 18 May 2021 refer.

The Department has evaluated the Public Participation Plan which is submitted as per Minister Directive dated 05 June 2020 in response to Covid-19 pandemic and hereby approves the plan for the abovementioned project.

You may proceed with the public participation process in accordance with the tasks contemplated in the PPP plan. Should you wish to deviate from the submitted PPP Plan, the amended PPP Plan must be submitted to the Department for approval prior commencement.

Please ensure that the PPP plan forms part of the report that will be submitted to the department. Kindly ensure that all I&APs are consulted as per requirement of EIA Regulations 2014 as amended.

You are hereby reminded of Section 24F of the National Environmental Management Act 1998 (Act No. 107 of 1998), as amended, that no activity may commence prior to an Environmental Authorization being granted by the Department.

Regards,
Zamalanga

ANNEXURE 2

SITE NOTICE

NOTICE OF BASIC ASSESSMENT PROCESS:

ENVIRONMENTAL IMPACT ASSESSMENT REGULATIONS, 2014, AS AMENDED

Notice is hereby given in terms of the Environmental Impact Assessment Regulations of 4 December 2014 promulgated in terms of the National Environmental Management Act, 1998 (Act No. 107 of 1998), that an application to conduct a Basic Assessment will be submitted at the National Department of Forestry, Fisheries and the Environment for the following project:

PROPOSED UPGRADE OF NATIONAL ROAD R574 (DISTRICT ROAD D1547) SECTION 1 FROM R33 GROBLERSDAL (KM 0.0) TO R579 MORWANENG (KM 38.9)

It is the intention of the South African National Roads Agency (Soc) Ltd (SANRAL) to upgrade the National Road R574 (District Road D1547) Section 1 from the R33 Groblersdal (Km 0.0) to the R579 Morwaneng (Km 38.9). The current envisaged scope of work will include the following:

- Widening of the existing road cross section to a new single and dual carriageway cross-section,
- Vertical and horizontal geometric improvements,
- Vertical and horizontal realignments,
- Improvements of minor and major intersections.
- Widening of river bridges and major and minor culverts,
- Clearing of vegetation outside road reserve for stockpile areas.

Chameleon Environmental was appointed to undertake the environmental studies on their behalf. Any enquiries regarding the above matter should be referred in writing to:

Dr Jenine Bothma at bothmaj@tiscali.co.za

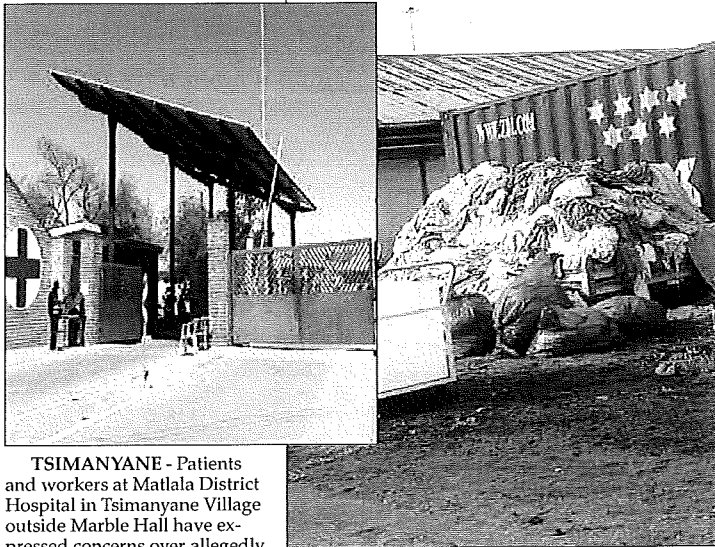

or Fax: 086 6855 080

or PO Box 11788, Silver Lakes, 0054

ANNEXURE 3

ADVERTISEMENT

Hospital laundry allegedly not collected for six months

TSIMANYANE - Patients and workers at Matlala District Hospital in Tsimanyane Village outside Marble Hall have expressed concerns over allegedly unattended laundry piles at the hospital including clothes and bedding.

According to insiders, the unattended laundry has been piling up for the past six months at the hospital after the contractor's trucks were broken.

This led to concerns that the hospital's management seemed to have accepted what was deemed to be the laziest excuse to justify looting of state resources.

Sekhukhune Residents Forum (SRF)

Piles of laundry that have allegedly not been collected for six months at Matlala District Hospital in Tsimanyane Village outside Marble Hall.

condemned that the contractor allegedly continued to be paid despite doing no work and that the management of the hospital seemed okay about that.

It is alleged that patients at the hospital were forced to request members of their families to bring them bed-lining, clothes

Nkuna donates hoodies to needy family

Denny Koketso Nkuna with the family during the donation.

BURGERSFORT (Seokodibeng)

He is known for assisting people by queuing for them in the busy Burgersfort town. Denny Koketso Nkuna, the founder of the I queue for you initiative has a good heart. Nkuna realized the hardships endured by the Mashaba family in Seokodibeng and decided to assist. "Seokodibeng area can be cold during the winter seasons. I learnt that some of the family had no jerseys to keep warm. "With the little cash I make in town, I managed to buy the family some nice hoodies."

He said he knows that this isn't enough for the family but he wants

to make a difference. "They have so many needs but I ensured they feel warm and loved this winter, added Nkuna from Alverton. The family thanked Koketso for thinking about them during these tough times. They pleaded for local businesses, government and Good Samaritans to assist them with a shelter. The family of seven is residing in a single room shack.

Meanwhile Koketso continues to grow his queuing business. My services in Burgersfort commenced on 6 August 2019. Those in need of his services can contact him on 071-278-4013.

FETAKGOMO TUBATSE LOCAL MUNICIPALITY

ADOPTION AND APPROVAL OF THE FETAKGOMO TUBATSE LAND USE SCHEME, 2021

The Fetakgomo Tubatse Local Municipality hereby gives notice in terms of section 24 of the Spatial Planning and Land Use Management Act, 2013 (Act No. 16 of 2013) and section 24 of the Fetakgomo Tubatse Local Municipality Land Use Management By law, 2018, that the land use scheme known as the Fetakgomo Tubatse Land Use Scheme, 2021, has been approved and adopted by the Municipal Council on 13/01/2021 and shall come into operation on the date of publication of this notice.

This land use scheme is applicable to the entire municipal area of jurisdiction and substitutes the Tubatse Land-Use Management Scheme, 2006 and Fetakgomo Land-Use Scheme, 2007, which are hereby rescinded.

A copy of the Fetakgomo Tubatse Land Use Scheme, 2021, will lie for inspection during normal office hours at the offices of Fetakgomo Tubatse Local Municipality, Director: Development Planning, 1 Kastania Street, Burgersfort, where a copy may also be obtained.

NW Phala, Municipal Manager

PROPOSED UPGRADE OF NATIONAL ROAD R574 (DISTRICT ROAD D1547) SECTION 1 FROM R33 GROBLERSDAL (KM 0.0) TO R579 MORWANENG (KM 38.9)

Notice of Basic Assessment and Water Use License processes

The South African National Roads Agency Soc Limited (SANRAL) proposes to upgrade the National Road R574 Section 1 from the intersection of R579/R33 to the intersection of the R574/R579. Notice is hereby given in terms of the EIA Regulations, 2014, as amended, published on 4 December 2014, in terms of the National Environmental Management Act, 1998 (Act No. 107 of 1998), that a Basic Assessment will be undertaken for the project. The project comprise, *inter alia*, of the following:

- Widening of the existing road cross section to a new single and dual carriageway cross-section,
- Vertical and horizontal geometric improvements,
- Vertical and horizontal realignments,
- Improvements of minor and major intersections.
- Widening of river bridges and major and minor culverts,
- Clearing of vegetation outside road reserve for stockpile areas.

The water uses (crossing streams/rivers or within 500m of a wetland) will be applied for at the Department of Water and Sanitation in accordance with the National Water Act, (Act No. 36 of 1998).

Should you wish to register as an Interested and/or Affected Party, receive more information or provide any comment, please contact: Chameleon Environmental, P O Box 11788, Silver Lakes, 0054, fax 086 6855 080 or bothmaj@tiscali.co.za by 20 July 2021. Written representations can be submitted to Dr Jenine Bothma.

ANNEXURE 4

NOTICES ISSUED AND BID

PROPOSED UPGRADE OF NATIONAL ROAD R574 (DISTRICT ROAD D1547) SECTION 1 FROM R33 GROBLERSDAL (KM 0.0) TO R579 MORWANENG (KM 38.9)

BACKGROUND INFORMATION DOCUMENT

JUNE 2021

1. INTRODUCTION

This Background Information Document (BID) serves to inform the public of the intention of the South African National Roads Agency (Soc) Ltd (SANRAL) to upgrade the National Road R574 (District Road D1547) Section 1 from the R33 at Groblersdal (Km 0.0) to the R579 at Morwaneng (Km 38.9). The project is approximately 39 km in extent. A Basic Assessment will be undertaken for the proposed activity and environmental authorisation sought. Public consultation is an essential part of the process. You have been identified as an Interested and/or Affected Party (I&AP). All comments from you will be recorded and presented to the project team and regulatory authorities.

Chameleon Environmental was appointed by Nathoo Mbenjane Engineers (Pty) Ltd to facilitate the Basic Assessment and public participation process on behalf of SANRAL.

2. PROJECT DESCRIPTION

The project entails the following:

- Widening of the existing road cross section to a new single and dual carriageway cross-section,
- Vertical and horizontal geometric improvements,
- Vertical and horizontal realignments,
- Improvements of minor and major intersections.
- Widening of river bridges and major and minor culverts,
- Clearing of vegetation outside the road reserve for stockpile areas.

The water uses (crossing streams/ivers or within 500m of a wetland) will be applied for at the Department of Water and Sanitation in accordance with the National Water Act, (Act No. 36 of 1998).

The authorisation for the borrow pits or quarries associated with the project will be applied for at the Department of Mineral Resources in a separate Basic Assessment process.

PURPOSE OF THIS DOCUMENT

This Background Information Document (BID) has been compiled and distributed for the following purposes:

- To notify Interested and/or Affected Parties (I&APs) of the proposed new development;
- To provide a brief project description;
- To describe the Basic Assessment process.

3. BASIC ASSESSMENT PROCESS

The Basic Assessment (BA) process will be guided by the EIA Regulations, 2014, as amended and environmental management principles and objectives of the National Environmental Management Act, 1998 (Act No. 107 of 1998). The Environment Impact Assessment (EIA) regulations, 2014 came into effect on 8 December 2014 in terms of the National Environmental Management Act, 1998 (Act No. 107 of 1998). Activities identified in terms of Regulation R. 983 and may not commence without environmental authorization from the competent authority and in respect of which the investigation, assessment and communication of potential impacts of activities must follow the Basic Assessment procedure as prescribed.

A Basic Assessment is a process involving consultation with regulatory authorities and other I&APs that serve to inform a decision on whether or not a development is environmentally acceptable.

The National Department of Forestry, Fisheries and the Environment (DFFE) will be the final decision making authority with regard to this project with the Mpumalanga Department of Agriculture, Rural Development, Land and Environmental Affairs as the commenting authority.

4. STUDY APPROACH AND METHODOLOGY

The goal of the Basic Assessment is to identify and assess the potential environmental impacts (biophysical and social) associated with the proposed development.

The following tasks are included as part of this process:

- Submit application form to DFFE;
- Site visit and desk study of available information and identification of key issues;
- Identify and compile a list of I&APs;
- Compile and distribute a Background Information Document (BID) to I&APs;
- Advertise in the local newspaper notifying the public of the project;
- Synthesis issues for preliminary investigation.
- Compile a Draft Basic Assessment Report and make it available for public comment.
- Submit Final Basic Assessment Report to environmental authorities for approval.

5. SPECIALIST STUDIES

It is anticipated that the following specialist studies will be undertaken as part of the Basic Assessment process:

- Aquatic and vegetation study;
- Heritage assessment.

Specialist consultants will be appointed to assess the potential impacts associated with the proposed project.

The aim of this specialist studies are for the specialist to assess the impact of the project actions on the environment. The specialists will analyse the current situation and will assess the potential impacts of the

project actions (and feasible alternatives) on various aspects of the particular issue during the construction and operation phases of the proposed project.

The impacts will be assessed in terms of various criteria such as extent, duration, intensity and whether the impact is positive or negative. The significance of the impact will then be determined through a synthesis of the various criteria used. The specialist will also recommend mitigation actions that they believe can materially affect the significance rating of impacts.

6. AUTHORISATION

The DFFE will consider the final Basic Assessment and will either issue an authorisation with or without conditions, or reject the proposed project. The authorisation issued by the DFFE will be distributed to I&APs as part of the appeal period. Formal, motivated appeals should be lodged with the Department. The results of the appeal process will then be made known to the public through the distribution of a final feedback letter.

7. COMMENCEMENT OF CONSTRUCTION

It is proposed that the project will be put out to tender once the authorisation is received from DFFE. Construction cannot commence without authorisation from the environmental authorities. Any enquiries regarding the tender or employment opportunities should be directed to the applicant.

8. PUBLIC INVOLVEMENT

Please contact Chameleon Environmental if you require further information on the application and or activity. Please submit your name, contact information, interest and relevant issue in writing before or on the 9th of July 2021. The contact details are:

401 Old Pretoria Rd
Halfway House
Midrand
1685

By e-mail: Fana.Hlathi@liquidtelecom.co.za

Dear Mr Hlathi

NOTIFICATION LETTER: THE PROPOSED UPGRADE OF NATIONAL ROAD R574 (DISTRICT ROAD D1547) SECTION 1 FROM R33 AT GROBLERSDAL (KM 0.0) TO THE R579 AT MORWANENG (KM 38.9)

This notification letter serves to inform you that it is the intention of the South African National Roads Agency (Soc) Limited (SANRAL) to upgrade the National Road R574 (District Road D1547) Section 1 from the R33 at Groblersdal (Km 0.0) to the R579 at Morwaneng (Km 38.9) in the Mpumalanga Province. Please find a locality plan attached.

Notice is hereby given in terms of the Environmental Impact Assessment Regulations of 4 December 2014, as amended, promulgated in terms of the National Environmental Management Act, 1998 (Act No. 107 of 1998), that a Basic Assessment will be conducted for the proposed project for submission to the National Department of Forestry, Fisheries and the Environment for authorisation. Please find a Background Information Document on the process to be undertaken.

The water uses (crossing streams/rivers or within 500m of a wetland) will be applied for at the Department of Water and Sanitation in accordance with the National Water Act, (Act No. 36 of 1998).

Kindly forward your comments or enquiries regarding the above matter to the undersigned.

For more information, do not hesitate to contact me.

Regards

Dr Jenine Bothma

Dear Mr Moloko

COMMENTS: THE PROPOSED UPGRADE OF NATIONAL ROAD R574 (DISTRICT ROAD D1547) SECTION 1 FROM R33 AT GROBLERSDAL (KM 0.0) TO THE R579 AT MORWANENG (KM 38.9)

Thank you for the comments submitted on 23 August 2021.

Chameleon Environmental was appointed to undertake the environmental studies for the project only. A Basic Assessment is undertaken for the project that will be submitted to the National Department of Forestry, Fisheries and the Environment (DFFE) for authorisation.

The project will be put out to tender once the authorisation is received from DFFE. You need to consult the SANRAL website (www.nra.co.za) for the tender and tender process. Any enquiries regarding the tender or employment opportunities should be directed to the applicant (SANRAL).

For more information, do not hesitate to contact me.

Regards

Dr Jenine Bothma
