BESKIKBAARHEID VAN KONSEP OMVANGBEPALINGSVERSLAG VIR KOMMENTAAR

Mulilo Renewable Energy (Edms) Bpk (Mulilo) is van voorneme om ses (6) x 75 MW AC fotovoltaïese (FV) sonenergie-aanlegte op te rig op die Plaas Klipgats Pan (Gedeelte 4 van Plaas 117); asook 10 x 75 MW AC FV sonenergie-aanlegte op die Plaas Hoekplaas (Restant van Plaas Nr. 146), naby Copperton in die Noord-Kaap. Aurecon Suid Afrika (Edms) Bpk (Aurecon) is aangestel om die nodige omgewingsprosesse, soos voorgeskryf in terme van die Wet op Nasionale Omgewingsbestuur (Nr. 107 van 1998) (NEMA), soos gewysig, namens Mulilo uit te voer.

Aurecon het in 2012 Omgewingsinvloedbepalingsprosesse (OIBs) namens Mulilo uitgevoer vir die magtiging van 'n 100 MW FV-aanleg op beide Klipgats Pan en Hoekplaas. Die Departement van Omgewingsake (DOS) het die nodige omgewingsmagtigings hiervoor op 13 August 2013 (Klipgats Pan) en 21 Januarie 2013 (Hoekplaas) uitgereik.

Die beoogde ontwikkelings het 'n reeks aktiwiteite tot gevolg wat, in terme van die NEMA, omgewingsmagtigings vanaf die bevoegde owerheid benodig voordat enige werksaamhede kan begin. Aangesien die voorgestelde projekte betrekking het op die opwekking van elektrisiteit,

moet dit deur die nasionale owerheid goedgekeur word – in hierdie geval die nasionale DOS. DOS se besluit sal berus op die bevindinge van hierdie OIB-proses.

Volgende Stappe

Lees asb. die ingeslote Uitvoerende Opsommings van die Konsep Omvangbepalingsverslae (KOBVe) vir die ontwikkelings by Klipgats Pan en Hoekplaas deur om meer inligting oor die voorgestelde projekte te bekom. Die volledige KOBVe sal ook vanaf **30 April 2013** tot **10 Junie 2013** vir 'n kommentaartydperk van 40 dae beskikbaar wees by die Prieska (Elizabeth Vermeulen) Openbare Biblioteek, die letznietz Gastehuis in Copperton, en op Aurecon se webblad (www.aurecongroup.com – kies "South Africa" as die "Current Location", en volg die "Public Participation"-skakel).

Indien u enige kommentaar wil lewer, bekommernisse wil lug, of as 'n Belanghebbende en Geaffekteerde Party (B&GP) wil registreer, word u versoek om voor **10 Junie 2013** in verbinding te tree met **Nomvelo Siwela** van Aurecon by Tel: (021) 526-6025, Faks: (021) 526-9500, E-pos: nomvelo.siwela@aurecongroup.com, of Posbus 494, Kaapstad, 8000.

AVAILABILITY OF DRAFT SCOPING REPORT PUBLIC FOR COMMENT

Mulilo Renewable Energy (Pty) Ltd (Mulilo) proposes to construct six (6) x 75 MW AC photovoltaic (PV) solar energy plants on Farm Klipgats Pan (Portion 4 of Farm 117) and 10 x 75 MW AC PV solar plants on Farm Hoekplaas (Remainder of Farm No. 146), near Copperton in the Northern Cape. Aurecon South Africa (Pty) Ltd (Aurecon) has been appointed to undertake the requisite environmental process as required in terms of the National Environmental Management Act (No. 107 of 1998) (NEMA), as amended, on behalf of Mulilo.

Aurecon undertook Environmental Impact Assessment (EIA) processes during 2012 on behalf of Mulilo for the authorisation of a 100 MW PV plant on both Klipgats Pan and Hoekplaas. Environmental Authorisations were issued by the Department of Environmental Affairs (DEA) on 13 August 2013 (Klipgats Pan) and 21 January 2013 (Hoekplaas).

In terms of NEMA, the proposed developments trigger a suite of activities, which require authorisation from the competent environmental authority before they can be undertaken. Since the proposed projects are for the generation of energy, and energy projects are dealt with by the national authority, the competent authority is the national DEA. DEA's decision will be based on the outcome of this EIA process.

Way Forward

Please refer to the enclosed Executive Summaries from the Klipgats Pan and Hoekplaas Draft Scoping Reports (DSR) for more information on the proposed developments. The complete DSRs will also be made available for a 40 day comment period at the Prieska (Elizabeth Vermeulen) Public Library, Ietznietz Guest House in Copperton and on the Aurecon website (www.aurecongroup.com - indicate "Current Location" as "South Africa" and follow the Public Participation link) from **30 April 2013** until **10 June 2013**.

If you would like to submit any comments or concerns on the DSRs or register as an Interested and Affected Party for this process please contact **Nomvelo Siwela** of Aurecon on Tel: (021) 526 6025, Fax: (021) 526 9500, nomvelo.siwela@aurecongroup.com or PO Box 494, Cape Town, 8000 before **10 June 2013**.

Yours sincerely

Aurecon

Mulilo Renewable Energy (Pty) Ltd proposes to construct 11 x 75 MW photovoltaic (PV) solar energy plants on the farm Hoekplaas (Farm 146/RE) near Copperton in the Northern Cape. Electricity would be evacuated via a new 132 kV transmission line to the Kronos substation. Associated infrastructure would include, amongst others, boundary fences, substations, internal farm road upgrades and transmission lines.

The Draft Scoping Report (DSR) is available for a 40 day comment period from **30 April 2013 until 10 June 2013** at the Prieska (Elizabeth Vermeulen) Public Library, Ietzniets Guest House in Copperton and on the Aurecon website (www.aurecongroup.com) - indicate "Current Location" as "South Africa" and follow the Public Participation link).

The proposed project is listed in terms of the National Environment Management Act (NEMA) (No. 107 of 1998). As such authorisation from the competent environmental authority, namely the Department of Environmental Affairs, via the Environmental Impact Assessment (EIA) process (GN No. R544 of 18 June 2010) is necessary. The proposed projects trigger activities in terms of GN No. 544, GN No. 546 and GN No. 545 published in terms of NEMA.

Aurecon (Pty) Ltd (Aurecon) has been appointed to undertake the required EIA process. Notice is hereby given of the commencement of a public participation process in terms of the NEMA EIA Regulations 2010. The applications for the above-mentioned project have been submitted to the competent authority (DEA in terms of these Regulations).

If you would like to receive more information, raise issues or concerns or register as an interested and affected party, please contact Aurecon by **10 June 2013** at:

Mulilo Renewable Energy (Pty) Ltd beoog die ontwikkeling van 11 x 75 MW fotovoltaïese sonenergie-aanlegte op Hoekplaas (Plaas 146/RE) wat naby Copperton in die Noord-Kaap geleë is. Elektriesiteit sal by wyse van 'n nuwe 132 kV verbinding na die Kronos- substasie gelei word. Bykomende infrastruktuur sluit in, onderandere, die omheining van die aanlegte, substasies, opgradering van interne plaaspaaië en konstruksie van transmissielyne.

Die Konsep Ombangbepalingverslae (OBV) is beskikbaar vir 'n kommentaar periode van 40 dae vanaf **30 April 2013 tot 10 Junie 2013** en kan besigtig word by die Prieska (Elizabeth Vermeulen) Openbare Biblioteek, Ietzniets Gastehuis te Copperton en op Aurecon se webwerf (www.aurecongroup.com) - dui "Current Location" aan as "Suid-Afrika" en volg die "Public Participation"-skakel).

Die beoogde projek is 'n gelyste bedrywigheid kragtens die Wet op Nasionale Omgewingsbestuur (WNOB) (Nr. 107 van 1998), en verg dus 'n magtiging van die bevoegde owerheid, naamlik die Departement van Omgewingsake, na afloop van 'n Omgewingsinvloedbepalingsproses (OIB) soos uiteengesit in GK Nr. R544 van 18 Junie 2010). Die beoogde projekte het bedrywighede van GK Nr. 544, GK Nr. 545 en GK Nr. 546, soos afgekondig in terme van die WNOB, tot gevolg.

Aurecon (Edms) Bpk (Aurecon) is aangestel om die vereiste OIB-proses uit te voer.

Kennis geskied hiermee van die aanvang van die proses van openbare deelname kragtens die WNOB se OIB-regulasies 2010. Die aansoeke vir die bogenoemde projek is in terme van die Regulasies ingedien by die DOS.

Indien u enige verdere inligting verlang, kwessies of kwellinge wil identifiseer of as 'n belanghebbende en geaffekteerde party registreer, word u versoek om met Aurecon in verbinding te tree teen **10 Junie 2013** by:
