## Statement of Ecosense CC Independence

Ecosense was appointed to compile this report. Neither Ecosense nor any of the authors of this report have any material present or contingent interest in the outcome of this report, nor do they have any pecuniary or other interest that could be reasonably regarded as being capable of affecting their independence or that of Ecosense. Ecosense has no beneficial interest in the outcome of the assessment which is capable of affecting its independence.

### Disclaimer

The opinions expressed in this report have been based on the information supplied to Ecosense by the Proponent or their appointed consultants. Ecosense has exercised all due care in reviewing the supplied information, but conclusions from the review are reliant on the accuracy and completeness of the supplied data. Ecosense does not accept responsibility for any errors or omissions in the supplied information and does not accept any consequential liability arising from commercial decisions or actions resulting from them. Opinions presented in this report apply to the site conditions and features as they existed at the time of Ecosense's investigations, and those reasonably foreseeable. These opinions do not necessarily apply to conditions and features that may arise after the date of this report, about which Ecosense had no prior knowledge nor had the opportunity to evaluate.

Report prepared by: Kozette Myburgh, Ecosense (EAPASA 2019/1346):
