

# PORT OF RICHARDS BAY

## STRATEGIC ENVIRONMENTAL ASSESSMENT

### QUESTIONNAIRE

**INSTRUCTIONS:**

1. This questionnaire serves to obtain input from stakeholders as part of the development of the Strategic Environmental Assessment (SEA) for the Port of Richards Bay (the "Port").
2. Please complete and return the questionnaire to Nemai Consulting (donavanh@nemai.co.za) by **24 June 2022**.
3. You are welcome to include any additional information deemed pertinent to the development of the SEA.
4. Please advise if you require the MS Word version of the questionnaire to facilitate the completion of the electronic version.

#### 1) Governance Framework for the Port

- 1.1** There are various pieces of legislation (including existing environmental approvals), as well as policies, strategies, plans and programmes that form part of the governance framework for the Port. Are there any specific provisions in the aforementioned governance framework that you want to highlight, with accompanying reasons?

- 1.2** Besides the SEA, what other Integrated Environmental Management tools are you aware of for the Port? Are there specific aspects of these tools that you want to highlight (please also indicate why)?

**1.3** From your perspective, please indicate the key Government Departments with mandated environmental management functions for the Port.

--

## 2) Current State of the Environment within and surrounding the Port

**2.1** What are the **sensitive** environmental features associated with the Port? Please explain why you have mentioned these specific features.

--

**2.2** Are you aware of any key environmental **trends** (i.e. apparent patterns of change with regards to the receiving environment) in the Port, as well as the driving forces involved?

--

**2.3** What are the environmental **opportunities** associated with the Port?

--

**2.4** What are the environmental **constraints** associated with the Port?

--

**2.5** What are the environmental **management priorities** for the Port?

--

**3) Environmental implications of Future Developments in the Port**

**3.1** Are you aware of any developments planned in the Port?

--

**3.2** What are the concerns associated with developments planned in the Port?

--

**3.3** Do you have any recommendations on how these concerns can be addressed? This may include mitigation measures or specific objectives, targets and indicators to assess planned developments.

--

**4) GENERAL**

**4.1** Do you have any suggestions of key stakeholders that need to be engaged with during the development of the SEA for the Port?

--

**4.2** Do you have any specific requirements of the SEA?

**General Comments / SEA Considerations:**

*Thank you for your participation. For any queries, please contact the person below.*
