NOTICE OF AN ENVIRONMENTAL IMPACT ASSESSMENT (EIA) PROCESS AND WATER USE AUTHORIZATION PROCEDURE FOR A 480MW SOLAR PHOTOVOLTAIC FACILITY ON PORTION 1, FARM ZWARTENBOSKOPKOPPEN 454-ND AT KOGONENKOP, LIMPOPO PROVINCE

(OPPF Reference: P02020)

Notice is hereby given that Africa Green Energy (Pty) Ltd (AGEL) is applying for environmental authorisation to the National Department of Forestry, Fisheries and the Environment (NDFF) to develop a 480MW Solar Photovoltaic Facility on approximately 275 hectares of land. The proposed project comprises Portion 1 of the farm Zwartboskoppens 454-ND (former Bhebeke Witsa Ranch) and falls within the jurisdiction of Thabazimbi Local Municipality. The property is located 10km south-west of Kogonenkop along the 70734 National-Karoo-ecosystem gravel road. (GPS coordinates: S 27° 07' 24,21" E 27° 06' 38,88")

The development project involves activities set out in the National Environmental Management Act, 1989 (Act 107 of 1989), Environmental Impact Assessment (EIA) Regulations of 2014 (GN R. 226, as amended on 7 April 2017) as well as the National Water Act, 1956 (Act 48 of 1956) and the National Water Act, 1956 (Act 48 of 1956) (NWA) for water usage specified under Section 21 (a) and (g). The NWA will require the applicant to apply for a licence and/or water use authorisation before it can be commenced. The application is subject to a Scoping and EA process in line with the National Water Act, 1956 (Act 48 of 1956) (NWA) and the National Environmental Management Act, 1989 (Act 107 of 1989) (NEMA).

AGEL will also apply to the Department of Water and Sanitation (DWS), Crossroads Process Unit for either a General Authorisation (GA) Water Use License (WUL) in terms of section 21 (g) of the National Water Act (Act 48 of 1956) (NWA) for water usage specified under Section 21 (a) and (g). The NWA will require the applicant to apply for a licence and/or water use authorisation before it can be commenced.

- GA – Issuance of water use licence for domestic purposes
- GA – Issuance of water use licence for irrigation and stock water supply systems situated at the site's quarry/site office.

Conserva Environmental Management Services (CEMS) has been appointed as the independent environmental assessment practitioner (EAP) to facilitate the environmental authorisation process and WULs for the project.

OPPORTUNITY TO REGISTER AS AN INTERESTED AND AFFECTED PARTY (I&AP)

I&APs are hereby invited to register on the project database. If you wish to register, please contact the EAP, Conserva Environmental Management Services (CEMS) via email: info@conserva.co.za or by telephone on 073 986 8133. Copies of the RDB will be sent via email to registered I&APs.

This RDB is available for review and submission of comments from Friday, 28 July until Monday, 28 August 2023. Thereafter, please submit your comments and objections to the project database on or before 28 August 2023.
