## Profile

I currently hold a position as a Manager within the Sustainability and Climate Change (S&CC) Department within PwC and I am based in the Waterfall Office in Johannesburg. My responsibilities include project management, management of teams, undertaking coaching and training of associates, reviewing of working papers and reports undertaken by associates and managing of budgets. I am in the Mine Closure / ARO Decommissioning team and my main focus is assessing the reasonableness of financial provisions against legal and constructive obligations contained within various licenses and permits.

I have been exposed to a variety of projects such Road and Bridge Upgrades, Housing Developments, Petrol Filling Stations, Raw Water and Wastewater Pipelines, Pump Stations and Shopping Malls. I have also been involved in remediation of contaminated sites. In the past two years my experience at PwC has been driven into the mining sector whereby I am involved in auditing of mine rehabilitation/financial provisions in support of financial audits as well as undertaking environmental due diligence assessments.

Besides my experience and training, I bring valued energy to the company. I am creative, innovative, coordinated, cool headed and well organized. I maximize the most out of every opportunity and project I am given. I am committed to teamwork and value all positive criticism. I deliver and excel working in a team as well as working alone.
