AMENDMENT LICENCE IN TERMS OF SECTION 50 AND 158 OF THE NATIONAL WATER ACT, 1998 (ACT NO 36 OF 1998)

I, **Margaret-Ann Diedricks**, in my capacity as Director-General in the Department of Water and Sanitation and acting under authority of the powers delegated to me by the Minister of Water and Sanitation, hereby authorise the amendment of licence dated 15 January 2016, licence no: **10/D73A/ACH/4106** in terms of sections 50 and 158 of the National Water Act, 1998 (Act 36 of 1998).

SIGNED: 

DATE: 17 MARCH 2016

The above mentioned licence is amended as follows:

Amendment of the page number on the cover page

1. The page number is hereby amended-
 - a) by the substitution for the page number of the following page number: "Page 1 of 22"

Amendment of the water user on the cover page

2. The water user is hereby amended-
 - a) by the substitution for water user name of the following water user name: "ACWA Power SolarReserve Redstone Solar Thermal Power Plant RF (Pty) Ltd"

Amendment of the Postal Address of water user on cover page

3. The postal address of the water user is hereby amended-
 - a) by the substitution for postal address of the water user of the following postal address of the water user : "[Office L6, B-1, 6th Floor, Sinosteel Plaza, 159 Rivonia Road, Sandton, 2159] Office XX07001, 90 Grayston Drive, Sandton, 2196"

Amendment of the property on which the use will be exercised

4. The property on which the use will be exercised is hereby amended-

B 07018

- a) by the substitution for property on which the use will be exercised: "Portion 0 (The Remaining Extent) of Farm 469".

Amendment of the condition 3 of Appendix III

5. Condition 3 of the licence is hereby amended-

- a. by the substitution for condition 3.3.8 of the following condition:

"3.3.8 [No Cement batching on site] Cement batching to be conducted well above the 1:100 year flood line or outside the horizontal distance of 100 meters from any watercourse"

Amendment of Appendix III on page 16

6. Appendix III of the licence is hereby amended-

- a. by the substitution for Appendix III for the following: Appendix IV

Amendment of the condition 5 of Appendix IV

7. Condition 5 of the licence is hereby amended-

- a. by the substitution in condition 5.2 of the following condition:

"5.2 Stormwater shall be diverted from the [mine complex] operation site and roads and shall be managed in such a manner as to disperse runoff and concentrating the storm-water flow"

Amendment of the condition 10 of Appendix IV

8. Condition 10 of the licence is hereby amended-

- a. by the substitution in condition 10.1.2 of the following condition:

"10.1.2 Contains the [mine] operations water management and water loss strategies and programs"

Amendment of the condition 10 of Appendix IV

9. Condition 10 of the licence is hereby amended-

- a. by the substitution in condition 10.1.3 of the following condition:

"10.1.3 Sets annual targets for improved water use efficiency for the [mining activity] power generation activities, beneficiation and waste disposal practices and stipulates which measures will be implemented to achieve the targets on the [mines] operation site"

Amendment of the condition 11 of Appendix IV

10. Condition 11 of the licence is hereby amended-

a. by the substitution in condition 11.1 of the following condition:

"11.1 Water samples must be taken from all the monitoring boreholes by using approved sampling techniques and adhering to recognised sampling procedures. Samples should be analysed for both organic as well as inorganic pollutants, as **[mining activity]** power generation activities often lead to hydrocarbon spills in the form of diesel and oil. At least the water quality parameters on Table 4 should be analysed"

[END OF LICENCE AMENDMENT]
