Attention: ACWA Power SolarReserve Redstone Solar Photovoltaic Power Plant

**RE: WATER SUPPLY TO ACWA POWER SOLARRESERVE REDSTONE SOLAR PHOTOVOLTAIC POWER PLANT**

This communique serves as confirmation that the ACWA Power SolarReserve Redstone Solar Thermal Power Plant RF (Pty) Ltd, will provide in the water supply requirements of the ACWA Power SolarReserve Redstone Solar Photovoltaic Power Plant (PV Project).

A potable water supply of approximately 5,000m<sup>3</sup> per annum will be allocated for use by the PV Project, from the authorised Sedibeng, Vaal Gamagara Water Supply Agreement.

Trust you find this in order.

Yours faithfully

**Terence Govender**

Vice President – Development, Africa
