Dear Dale

Please note that this Department does not require that a pre-application meeting for this application take place.

You can proceed to submit the application for amendment as well as the Draft amendment report once the PP Plan is approved. With regards to the PP plan, please note that it is not approved as it does not address the placement of site notices as well as newspaper advert(s). We require that the PP Plan address all aspects of chapter 6 of the EIA Regulations, 2014 as amended.

Regards
Thabile
