Attention Ms Debbie Weldon,

GRAVES PROXIMITY

The Msunduzi Municipality proposes to upgrade the L1661 (872m in length) and the D2217 (1860m in length) roads in Ward 7. The upgrades involve the widening of the D2217 within the current road reserve, the construction of new stormwater infrastructure on both roads and resurfacing of both roads from gravel to asphalt.

This letter serves to confirm that there are no graves that will be impacted upon by the proposed upgrades.

Your sincerely,

Mr Sandile Ngubane

Ward 7 Councillor
