Dear Sityhilelo

HERITAGE RESOURCES ENQUIRY – REMAINDER OF FARM CORNELIASDAL NO. 45, PORTION 1 (OLIMPIA) OF THE FARM CORNELIASDAL NO. 45 AND PORTION 0 OF FARM SUNNYSIDE NO. 918, ALL LOCATED IN THE REGISTRATION DIVISION OF BOSHOF ROAD, FREE STATE PROVINCE

Springhaas Solar Facility 8 (Pty) Ltd, is developing a solar photovoltaic (PV) energy facility located approximately 16km south-west of the town of Dealesville within the Tokologo Local Municipality and the Lejweleputswa District Municipality. It also falls entirely within the Kimberley Renewable Energy Development Zone (REDZ) and Central Transmission Corridor. The project area of Springhaas Solar Facility 8 (Pty) Ltd is located on the following properties:

- Remainder of the Farm Corneliasdal No. 45, Boshof Road Registration Division, Free State (LPI Code F00400000000004500000);
- Portion 1 (Olimpia) of the Farm Corneliasdal No. 45, Boshof Road Registration Division, Free State (LPI Code F00400000000004500001); and
- Portion 0 of the Farm Sunnyside No. 918, Boshof Road Registration Division, Free State (LPI Code F00400000000091800000) (this applies to the proposed access road only).

A Google Earth location file is submitted together with this letter.

As part of the Basic Assessment for Springhaas Solar Facility 4, SAHRA issued a final comment (see Annexure A). Subsequent to this, we have discovered that there is an additional farm portion within what was originally described as “Corneliasdal 45”. We hereby request that the final comment provided please be updated to reflect the correct farm names (noting that the assessment area, development footprint and specialist assessment has not changed in any way), specifically “Corneliasdal 45” needs to please be replaced with “Remainder of Farm Corneliasdal No. 45 and Portion 1 (Olimpia) of Farm Corneliasdal No. 45”.

Kindly address your response to:

Final Comment

In terms of Section 38(8), 38(4) of the National Heritage Resources Act (Act 25 of 1999)

Attention: Springhaas Solar Facility 8 (Pty) Ltd

The proposed development of solar PV facility with a capacity of up to 150MWac. The facility will cover an area of 253Ha and consists of solar PV arrays, internal underground electrical reticulation, internal and external access roads, electrical infrastructure compound (substation, additional collector infrastructure, battery energy storage system), collector substation, perimeter fencing, auxiliary buildings and a temporary laydown area. The facility is located on farm Corneliasdal 45, Dealesville, Tokologo Local Municipality

GIBB Environmental (Pty) Ltd was appointed to undertake the Environmental Authorisation (EA) Application for the proposed development of Springhaas Solar Facility 6 with associated infrastructure on farms Corneliasdal 45, near Dealesville, Bloemfontein, Tokologo Local Municipality, Free State (14/12/16/3/3/1/2528)

The Draft Basic Assessment Report (DBAR) was submitted in terms of the National Environmental Management Act (NEMA, Act 107, 1998) and the NEMA Environmental Impact Assessment (EIA) Regulations. The solar facility will have a capacity of up to 150MWac and will cover an area of 253Ha and it will consist of solar PV arrays, internal underground electrical reticulation, internal and external access roads, electrical infrastructure compound (substation, additional collector infrastructure, battery energy storage system), perimeter fencing, auxiliary buildings and a temporary laydown area.

ASHA Consulting (Pty) Ltd and Prof Marion Bamford were appointed to provide heritage specialist input as
