SUBMISSION OF FINAL BASIC ASSESSMENT REPORT FOR THE PROPOSED NOTSI PV 4, NEAR DEALESVILLE, FREE STATE

1. The Basic Assessment (BA) Process for the proposed Notsi PV1 (14/12/16/3/3/1/2800) refers.
2. Regulation 19 of the EIA Regulations requires that the Basic Assessment report be subjected to a public participation period of at least 30 days during which all potential or registered interested and affected parties (I&APs), including the competent authority, may submit written comments.
3. Please find the Amended Application for Environmental Authorisation and the Final Basic Assessment Report attached hereto.
4. We hereby confirm that the content of the report fully complies with the requirements set out in Appendix 1 to the GNR 326 (as amended in 2017).
5. We trust that you find the above in order and kindly request that you provide us with acknowledgement of receipt of the final report and amended application
6. Please feel free to contact the undersigned should you require any additional information.

Kind regards

Hanlie Stander
