New CARPORT and VERANDAH
25 GLENMORE CRESCENT
PORTION 177 OF ERF 39 DURBAN NORTH
For – Mrs H. M. CANNAN

The attached original plan is dated 1951

The new work comprises of a covered Verandah and Carport.
The residence did not have a place to sit outdoors under a roofed structure
and a facility for use after swimming in the pool, hence this free standing
verandah was erected. An additional covered parking space was required for this size
house, some 6 bedrooms. Part of the existing garage is being used for storage
The Carport is also a free standing structure that does not effect the existing residence.

Yours faithfully,
Raymond McCallum
