REFERENCE: NC 30/5/1/1/2/13005 PR.

Notice is hereby given of the intent of **DNA Resources (Pty) Ltd**, to prospect for Iron, Manganese and Diamonds (Alluvial and General) on the above-mentioned farms. A Prospecting Right has been submitted at the Regional Manager, Department Mineral Resources and Energy, 41 Schmitsdrift street, Telkom Building, Kimberley, Northern Cape, 8301 with contact number 053 807 1700 and has been approved on 18 January 2022.

Kindly refer to attached Basic Environmental Assessment Report / Environmental Management Program report for information on the location and extent of the area and the activities that will form part of the proposed prospecting operation.

According to Section 16(4)(b) of the Mineral and Petroleum Resources Development Act, (Act No. 28 of 2002)(as amended, 2008) and in terms of the National Environmental Management Act, 1998, the National Environmental Management Waste Act, 2008, and Regulation 40 to 43 of the National Environmental Act, 1998 and the Environmental Assessment Regulation 2014 the landowner or lawful occupier of the land, as well as any other interested and/or affected party must be notified and consulted with regarding the proposed project.

You are hereby invited to register and to review the attached Basic Environmental Assessment Report / Environmental Management Program Report and address any comments and/or concerns in writing regarding the proposed prospecting operation to LW Consultants on or before 16 September 2022.

The prescribed Environmental Management Program has been submitted and is available for insight at the consultant's office or a summary of the project operations is available on the consultant's website www.liwico.co.za. Please feel free to contact the undersigned on cell number 082 922 5519 or celeste@liwico.co.za should you require any further information in this regard.

If no correspondence is received within the stated period, it will be accepted that you have no comments regarding this project.

Yours faithfully

C. Coetzee
