

# EMPr Alignment with NEMA Sec 24N

In order to ensure legal compliance, this EMPr is to comply with the requirements of the NEMA Section 24 N, together with Appendix 4 of GNR 982 the EIA Regulations (2014), as amended.

GNR 982 Appendix 4: Content of Environmental Management Programme, as amended.	Cross linking with the EMPr
1. (1) An EMPr must comply with section 24N of the Act and include-	
(a) details of	
(i) the EAP who prepared the EMPr; and	Appendix A - Details of EAP and Expertise
(ii) the expertise of that EAP to prepare an EMPr, including a curriculum vitae;	Appendix A - Details of EAP and Expertise
(b) a detailed description of the aspects of the activity that are covered by the EMPr as identified by the project description;	Section 5: Impacts Assessed
(c) a map at an appropriate scale which superimposes the proposed activity, its associated structures, and infrastructure on the environmental sensitivities of the preferred site, indicating any areas that any areas that should be avoided, including buffers;	Appendix G5 – Site Plan Appendix G7 - Sensitivity Mapping
(d) a description of the impact management objectives, including management statements, identifying the impacts and risks that need to be avoided, managed and mitigated as identified through the environmental impact assessment process for all phases of the development including-	Section 2.4: Outcomes of the EMPr Section 11: Implementation of the EMPr
(i) planning and design;	Section 6.15: Planning and Design  Section 11.15.1: Environmental Specifications – Construction Activities – Planning and Design Phase  Appendix M - Typical Aspects and Impacts Table
(ii) pre-construction activities;	Section 11.15.1: Environmental Specifications – Construction Activities – Pre-Construction  Appendix M - Typical Aspects and Impacts Table
(iii) construction activities;	Section 11.15.3: Environmental Specifications – Construction Activities – Site Management  Appendix M - Typical Aspects and Impacts Table
(iv) rehabilitation of the environment after construction and where applicable post closure; and	Section 11.15.6: Environmental Specifications – Rehabilitation  Appendix M - Typical Aspects and Impacts Table

<b>GNR 982 Appendix 4: Content of Environmental Management Programme, as amended.</b>	<b>Cross linking with the EMPr</b>
(v) where relevant, operation activities;	Section 11.15.5: Environmental Specifications – Operational Activities  Appendix M - Typical Aspects and Impacts Table
(e) a description and identification of impact management outcomes required for the aspects contemplated in paragraph (d);	Section 11: Implementation of the EMPr
(f) a description of proposed impact management actions, identifying the manner in which the impact management objectives and outcomes contemplated in paragraphs (d) and	Section 11: Implementation of the EMPr
(e) will be achieved, and must, where applicable, include actions to:	Section 2.4: Outcomes of the EMPr  Section 11: Implementation of the EMPr
avoid, modify, remedy, control or stop any action, activity or process which causes pollution or environmental degradation;	Section 6: Environmental Management
comply with any prescribed environmental management standards or practices;	Appendix B – Legal and Administrative Framework
comply with any applicable provisions of the Act regarding closure, where applicable; and	Appendix B – Legal and Administrative Framework  Appendix C – Environmental Authorisation
comply with any provisions of the Act regarding financial provisions for rehabilitation, where applicable;	Section 10: Resource Allocations
(g) the method of monitoring the implementation of the impact management actions contemplated in paragraph (f);	Section 6.19: Final Environmental Compliance Report  Section 7: Monitoring
(h) the frequency of monitoring the implementation of the impact management actions contemplated in paragraph (f);	Section 8: Assurance
(i) an indication of the persons who will be responsible for the implementation of the impact management actions;	Section 4: Roles and Responsibilities
(j) the time periods within which the impact management actions contemplated in paragraph (f) must be implemented;	Section 6.6: Non-Conformance Report  Section 6.16: Corrective and Preventive Measures (follow-up on monitoring and audits)  Section 8: Assurance
(k) the mechanism for monitoring compliance with the impact management actions contemplated in paragraph (f);	Section 6.20: Final Environmental Compliance Report  Section 7: Monitoring  Section 8: Assurance
(l) a program for reporting on compliance, taking into account the requirements as prescribed by the Regulations;	Section 8: Assurance
