

CURRICULUM VITAE OF MICHAEL MORREIRA

Comprehensive CV

Profession :	ESG and Sustainability Consultant
Specialisation:	ESG, Sustainability, and Environmental consulting, advisory and management services.
Work Experience:	A year of environmental consulting, advisory and management services. 11 years in natural areas management, nature conservation, local and international eco-tourism roles. 7 years of experience managing steel fabrication and trading businesses.

VOCATIONAL EXPERIENCE

Michael Morreira is presently employed as an ESG and Sustainability consultant at Savannah Environmental, Michael also assists with environmental consulting, report writing and permitting work at Savannah. Michael has several years of practical business management experience; he also has several years of experience working on large game reserves in Kwa-Zulu Natal, the Eastern Cape, and Mpumalanga.

Over the years Michael has filled senior management roles and has developed a thorough understanding of good business practice. He has developed unique experience having managed trading businesses supplying materials to large scale engineering and fabrication projects, and large scale industrial maintenance and development projects. He has fulfilled roles and has managed some of South Africa's most famous private game reserves. Michael has extensive professional nature field guiding experience – having guided for international guests for more than 7 years.

Michael's work experience is complemented by his educational qualifications. He recently completed an Internationally recognised MBA with a Specialisation in Sustainable Development and International Business. Michael's MBA Thesis revolved around the business benefits, barriers, and level of adoption of Sustainability Imperatives into South African small and medium sized enterprises – he achieved an 88% distinction pass for his Thesis and was consequently awarded his MBA in September, 2020.

Over the years Michael has worked and studied with the ambition of making a positive impact – Michael is currently completing the United Nations Educational Program -Environmental SDG Indicators Policy Maker coursework. He is also an Impact Analyst and has been researching large businesses impacts relative to the United Nations Sustainable Development Goals since 2020.
