ERRATUM TO PUBLIC NOTICE (11 MAY 2018)

NOTICE FOR THE COMPLETION OF GRAVE RELOCATION PERMITS, EXHUMATION AND REBURIAL SERVICES FOR THE SWAZI RAIL LINK PROJECT – NEW LINK

Transnet SOC Limited (hereafter referred to as Transnet) is a government (state) owned company (SOC) and is the custodian of South Africa's railway, ports and pipelines, thereby responsible for delivering reliable freight transport and handling services that satisfy customer demand. Transnet in collaboration with Swaziland Railway identified the construction and upgrade of the railway line between Davel in Mpumalanga and Richards Bay in KwaZulu-Natal, connecting via the Swaziland rail network, as a strategic project. The aim of the project is to unlock the potential of a multinational strategic rail corridor and divert general freight traffic off the dedicated heavy haul Richards Bay coal line which runs from Ermelo through rural Kwa-Zulu Natal to Richards Bay. The project activities will consist of various works, including the upgrading of existing railway sections and construction of an entirely new rail link from Lothair (RSA) to Sidvokodvo in Swaziland.

These proposed works necessitated the relocation of approximately 88 graves located between Lothair and Nerston (Bloemakrans portion 1&12 and Newstead).

A Public Notice is hereby published in terms of Sections 36 of the National Heritage Resources Act (NHRA) (No 25 of 1999), The Human Tissues Act (No 65, 1983); and Regulations relating to the management of Human remains (Gazette 36473, Notice R363) of intent to exhume and relocate 88 graves (human remains) as follows:

Grave site 1	19	Portion 1 of Farm Bloemkrans 121 IT (Leon Crowford)	S26°23'45.15" E30°24'34.23"	Silindile Township

Grave site 3	51	Portion 12 of Farm Bloemkrans 121 IT (Johannes van Wyk)	S26°23'52.66" E30°25'26.18"	Silindile Township

Any interested or affected person in respect of the proposed relocation of the graves is hereby required to make the same known in writing to the emails given below or by telephone to the undersigned within thirty (30) days from the date of publication hereof, after which the period of notice will lapse: **10 May to 11 July 2018**
